THE ACCELERATED BACHELOR OF SCIENCE DEGREE IN HEALTHCARE MANAGEMENT

HUMAN RESOURCES MANAGEMENT

Chestnut Hill College's ACCELERATED Degree Program is designed for the adult learner. The Healthcare Management program provides you with the administrative and managerial skills necessary for professional careers in hospitals, clinics, long-term and short-term healthcare facilities, doctors' offices, and health departments. It is an interdisciplinary curriculum that gives you a comprehensive foundation in health issues, health systems, sociological influences, and legal and ethical concerns. You will develop the skills to communicate and interact effectively with physicians, administrators, patients, and families. This degree also prepares you for graduate studies in the field of healthcare.

Vinnette Love
B.S. in Healthcare Management

WHY DID YOU CHOOSE TO STUDY HEALTHCARE MANAGEMENT AT CHC?

“The Healthcare Management major will be my path toward the administrative side of healthcare. The courses included in the major, specifically, Introduction to the American Healthcare System, Human Resources Management, and Legal Issues in Healthcare, were all very informative. My favorite aspect of pursuing this major is how each course directly relates to current and past events in the healthcare system.”

MAJOR CORE REQUIREMENTS

Principles of Management	Math for Business I
Principles of Marketing	Probability and Statistics
Introduction to the American Healthcare System	Financial Accounting
Healthcare Management	Managerial Accounting
Legal Issues in Healthcare	Principles of Microeconomics
Human Resources Management	Financial Management
	Risk and Insurance
	Senior Seminar

MAJOR ELECTIVE REQUIREMENTS

Any four of the following courses are required as major electives:

Diversity Issues	Principles of Macroeconomics
Social Problems	Business Writing and Communications
Introduction to Psychology	Psychology of Leadership
Public Welfare Policy	Grant Writing
Principles of Finance: Money & Banking	Special Topics Internship

TRANSFERRING CREDITS

Students can transfer up to 75 credits from another accredited college or university. Prior Learning Assessment options can also help you earn credits for on-the-job experience and training programs.
