## HUMAN RESOURCES MANAGEMENT

Chestnut Hill College’s **ACCELERATED Degree Program** is designed for the adult learner. The Human Resources Management program teaches you how companies and organizations can achieve success through strategically managing human resources functions. The curriculum presents current issues and practices that focus on state-of-the-art human resources management, organizational research, and staff training and development. You will build the skills and competencies necessary to pursue and advance your HR career, as well as prepare yourself for graduate studies in business.
