THE ACCELERATED BACHELOR OF ARTS DEGREE IN LIBERAL STUDIES

LIBERAL STUDIES

Chestnut Hill College's ACCELERATED Degree Program is designed for the adult learner. The Liberal Studies program not only provides depth across the liberal arts core and major curriculum requirements, but also allows students to specialize in and identify with specific disciplines: English, History, Political Science and Religious Studies.

The Liberal Studies (BA) degree program is a flexible transfer program for students with courses from several different institutions, or who have earned Associate degrees (AA, AS, or AAS). Conceptual thought, constructive communication strategies, and the ability to synthesize arguments are all directly applicable in every professional setting, and support graduates when they transition from one profession to another.
