

Healthcare Management

The Accelerated Bachelor of Science in Healthcare Management

This program provides you with the administrative and managerial skills necessary for professional careers in hospitals, clinics, long-term and short-term healthcare facilities, doctors' offices, and health departments. It is an interdisciplinary curriculum that gives you a comprehensive foundation in health issues, health systems, sociological influences, and legal and ethical concerns. You will develop the skills to communicate and interact effectively with physicians, administrators, patients, and families. This degree also prepares you for graduate studies in the field of healthcare.

In addition to your core Liberal Arts requirements, 54 credits are required in the major.

The following courses are major requirements:

- Principles of Management
- Principles of Marketing
- Introduction to the American Healthcare System
- Healthcare Management
- Legal Issues in Healthcare
- Human Resources Management
- Math for Business I
- Probability and Statistics
- Financial Accounting
- Managerial Accounting
- Principles of Microeconomics
- Financial Management
- Risk and Insurance
- Senior Seminar

Any four (4) of the following courses are required as major electives:

- Diversity Issues
- Social Problems
- Introduction to Psychology
- Public Welfare Policy
- Principles of Finance: Money & Banking
- Principles of Macroeconomics
- Business Writing and Communications
- Psychology of Leadership
- Grant Writing
- Special Topics
- Internship

Get Ahead. Faster.

The Chestnut Hill College ACCELERATED Degree Program is designed specifically for the adult learner. It provides a holistic approach to education that balances the insights of the liberal arts tradition with the practical challenges of today's world. Most importantly, we offer a learning experience that's geared to the real-life career goals of our students. ACCELERATED has more adult degree programs than any other college in the region. And each one of our programs is a path to a future of promise and opportunity.

The Learning Experience

The ACCELERATED Degree Program is conducted on the beautifully landscaped campus of Chestnut Hill College. We provide state-of-the-art learning facilities. Computers with Internet access are available in the computer labs and in the Logue Library, and most classrooms have computer hookups and Internet connections. -

Transferring Credit

Students can transfer up to 75 credits from another accredited college or university. Our experiential Portfolio Assessment service can also help you earn credits for on-the-job experience and training programs.

Career Services

In addition to job search assistance, Internship programs are available for students who are changing careers. Supervised and facilitated by the Coordinator of Experiential Learning these programs offer valuable real-world experience. Many students are frequently hired upon completion of their internship.

Study Tours

ACCELERATED students can earn six credits by traveling abroad or within the U.S. on study tours. Foreign tours to London, Paris, Russia, Italy, or Ireland last 7 to 10 days. They provide a valuable opportunity to socialize with other adult students and see the world—while earning college credits at the same time.

Our local and regional study tours include interdisciplinary classes that introduce you to the theater and arts in the Philadelphia, New York, and Washington, D.C. areas.
