Rental Agreement

The Student/Renter hereby agrees to rent one combination refrigerator/freezer/microwave from University Electronics for the academic year, according to the following terms:

University Electronics shall, during this agreement, keep and maintain the Unit in good working condition, reasonable wear and tear alone is accepted. University Electronics will at its own expense replace or repair any Unit should said Unit fail to operate normally, except those that are damaged through misuse, negligence, carelessness or irresponsible use by the student renter. The Unit may not be removed from the residence hall where it is originally assigned.

For the low cost of \$19.99 per academic year you can purchase insurance in the event your MicroFridge Appliance is damaged. The insurance covers excess wear and tear, minor repairable damage to microwave and refrigerator/freezer and is available on all rental units. The cost of a replacement unit can exceed \$500.00, so we encourage you to take advantage of this low cost insurance plan to protect yourself. *This plan does not cover full destruction or loss of the appliance.*

The unit must be thoroughly cleaned, defrosted, dry and ready for storage upon return to University Electronics.

The unit must have all parts and accessories included when returned.

The student renter understands that the Unit requires a grounded outlet. If the room is not equipped with a 3 prong grounded outlet, a grounded 3 prong adaptor must be used.

The student renter understands that he/she is responsible for normal care of the equipment in their temporary possession and that they will be charged for any physical damage or loss of equipment and/or accessories as a result of any act(s) of theft vandalism or abuse.

The Student Renter acknowledges and agrees that this is a private rental agreement between University Electronics and the student; Chestnut Hill College is not party to this agreement.
