2017-2018 Dependent Verification Worksheet

Your Free Application for Federal Aid (FAFSA) was selected for review in a process called verification. Before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA. We will compare your FAFSA with the information you report on this form and any other required documentation. If there are differences, your FAFSA information may need to be corrected by you or by Chestnut Hill College. You and a parent whose information was reported on the FAFSA must complete and sign this worksheet and submit it to our office to prevent any delays in processing your request for financial aid. Submit this completed form with any required documentation to Student Financial Services.

Dependent Student's Family Information

List below the people in the parent(s) household. Include:

- The student
- The parent(s) (including a step-parent) even if the student does not live with the parent.
- Your parent(s)' other children if your parents will provide more than half of their support from July 1, 2017, through June 30, 2018, or if the children would be required to provide parental information if they were completing a FAFSA for 2017-2018. Include children who meet either of these standards, even if they do not live with the parent(s).
- Other people if they now live with your parent(s) and your parent(s) provide more than half of their support and will continue to provide more than half of their support through June 30, 2018.
- Include the name of the college for any household member, who will be enrolled at least half time in a degree, diploma, or certificate program at an eligible postsecondary educational institution any time between July 1, 2017, and June 30, 2018. If your parents are divorced or separated, answer the questions about the parent you lived with more during the past 12 months. (If you did not live with one parent more than the other, give answers about the parent who provided more financial support during the past 12 months or during the most recent year that you actually received support from a parent.) If this parent is remarried as of today, answer the questions about that parent and your stepparent.

If more space is needed, provide a separate page with the student's name and ID number at the top.
