Non-Discrimination Policy

Chestnut Hill College, founded by the Sisters of Saint Joseph, is committed to an active inclusive love of all people without distinction. Therefore, it is the policy of Chestnut Hill College that no person will be discriminated against by Chestnut Hill College in admission to or participation in any educational program and, moreover, no person will be discriminated against in employment, including recruitment, hiring, promotion, termination, or forms of compensation or on any other terms of employment. Discrimination on the basis of any of the following is prohibited: race, ethnicity, color, religion, sex, sexual orientation, gender identity, national origin, age, marital status, familial status, disability, or status as a veteran. Chestnut Hill College follows the June, 2011; Fair Practices Ordinance of the City of Philadelphia (9-1100) as well as other local, state, and federal laws. Retaliation against complainants, alleged victims or witnesses is also prohibited by this Policy.

Chestnut Hill College endeavors to present an accurate overview of its curricular and co-curricular programs, facilities and fees in this publication. The information contained herein is current as of July 1, 2019. As growth and changes are inevitable, Chestnut Hill College reserves the right to alter any program, facility or fee described in this publication without notice or obligation. Failure to read this catalog and other sources of regulation governing academics and student life at Chestnut Hill College does not excuse the student from the requirements and regulations discussed herein.

Mission

The mission of Chestnut Hill College is to provide students with holistic education in an inclusive Catholic community marked by academic excellence, shared responsibility, personal and professional growth, service to one another and to the global community, and concern for the earth. Chestnut Hill College, founded by the Sisters of Saint Joseph in 1924, is an independent, Catholic institution that fosters equality through education.

Faithful to its strong liberal arts tradition, Chestnut Hill College offers academic programs of excellence in the areas of undergraduate, graduate, and continuing studies. True to its Catholic heritage, Chestnut Hill College espouses the beliefs and values inherent in the Judeo-Christian tradition while it respects the contributions made by other faith traditions in the development of the whole person. The College nurtures a sense of integrity, spirituality, and social justice in all. The College community dedicates itself to four purposes in fulfilling this mission.

It seeks:

- To provide avenues for students to achieve academic excellence and to pursue research in their major field or in interdisciplinary studies. The College encourages students to explore and experience diverse curricula and to participate in exchange programs with other institutions of higher education.
- To initiate links between the world of learning and the world of work through curricular planning, technological opportunities, and career preparation. The College guides students in applying theoretical learning through experiential education designed collaboratively by faculty and students.
- To uphold an atmosphere of communal respect in which all may clarify and articulate personal values and beliefs while exploring the ethical and moral dimensions underlying all relationships. The College encourages inter-faith opportunities by
acquainting all students with Catholicism, its theology and its Judeo-Christian roots, and by engaging in dialogue with women and men of other beliefs.

- To create local and global connections that enable students to respond to the needs of others through service-oriented enterprises. The College educates students to identify and to address issues of social justice and to work toward systemic change.

Approved by the Chestnut Hill College Board of Directors October 7, 2002.

**Core Values**

**We Value Personal and Professional Growth throughout the Community.**

*We Strive To Live This Value By:*

- maintaining a lively forum for intellectual and artistic pursuits on campus;
- promoting intellectual sharing and development through inter-disciplinary programs and the encouragement of mentoring relationships;
- exploring avenues for growth and learning outside the campus boundaries.

**We Value Academic Excellence.**

*We Strive To Live This Value By:*

- offering a rigorous and challenging academic program with a global emphasis;
- expecting students to take active responsibility for their education;
- fostering close student-teacher bonds;
- ongoing assessment of academic programs.

**We Value Ethical Principles.**

*We Strive To Live This Value By:*

- including ethics across the curriculum;
- practicing fairness to all;
- living according to ethical standards and codes of behavior;
- addressing appropriately breaches of ethical standards.

**We Value Catholic Intellectual Tradition, History, and Legacy.**

*We Strive to Live This Value By:*

- keeping alive the mission and charisma of the Sisters of Saint Joseph*;
- offering sacramental preparation through campus ministry;
- providing opportunities to participate in Catholic liturgy;
- inviting dialogue on issues pertaining to human dignity, social, and economic justice, and stewardship of the environment;
- promoting on-going interpretations of core theological values and contemporary needs.

**We Value Spirituality.**

*We Strive To Live This Value By:*

- embracing the ideal of spiritual growth and expression;
- exploring the spiritual domain of human existence and integrating this into the totality of our experience;
- seeking to explore and to understand the world’s religious traditions.
We Value Service.
We Strive To Live This Value By:
~ fostering an attitude of generosity in service;
~ providing opportunities for experiential and holistic community service on campus and in the broader community.

We Value Concern for the Earth.
We Strive To Live This Value By:
~ keeping informed and educated about environmental issues;
~ being mindful of the impact that we, as individuals and as a community, have on the environment;
~ continuing to work to preserve and enhance the natural environment of the campus;
~ accepting our responsibility as stewards of the earth and its resources.

We Value Holistic Pursuit of Truth, Integrity, and Justice.
We Strive To Live This Value By:
~ reflecting these virtues in our everyday lives;
~ applying these virtues as guides to our decision-making individually and as a community.

We Value Inclusive Community.
We Strive To Live This Value By:
~ affirming human dignity as an absolute value;
~ celebrating one another’s potential and achievements, both great and small;
~ fostering a friendly and open atmosphere, where all are welcome;
~ exhibiting respect for all members of the global community.

*We live and work so that all people may be united with God and with one another. The mission of unity rests on the charism of reconciliation.

**Student Learning Outcomes**
In the spirit of our Mission and Core Values, and with a commitment to life-long learning, the Chestnut Hill College community has adopted these learning outcomes to promote, guide and assess learning in all the College’s programs. Believing, as did our founder Sister Maria Kostka Logue, that our students are “here to learn to make a living because [they] must, but [they] are here to learn to live,” we set forth these outcomes as standards in all academic and co-curricular areas.

**Information Literacy:** Students will demonstrate the ability to know when there is a need for information and to access, organize, interpret, evaluate and utilize information from a variety of sources in an ethically appropriate manner.

**Communication:** Students will demonstrate clear and effective communication in a variety of modes and styles in and out of the classroom, specifically the ability to read, write, speak, listen and employ various media effectively, and use quantitative data to communicate. Students will be encouraged to use critical and creative forms of expression.

**Critical and Creative Inquiry:** Students will demonstrate an understanding of and an ability to use critical analysis to develop innovative and imaginative methods of inquiry and
problem-solving. Students will be encouraged to use critical thinking skills as a guide to multiple modes of inquiry, challenging conventional wisdom and stereotypes.

**Leadership and Collaboration:** Students will demonstrate the ability to communicate, cooperate and collaborate in a range of situations, such as goal-setting, team building, leadership development, and group facilitation.

**Integrative Learning:** Students will demonstrate the ability to transform information and experience into knowledge and knowledge into judgment resulting in action. Students will be encouraged to make connections within and among academic disciplines, co-curricular activities and pursuits beyond the campus boundaries.

**Civic Engagement:** Students will demonstrate knowledge of societal issues in the analysis of contemporary and historical challenges. Students will be provided with opportunities to engage issues of social justice, to serve with and for others, to engage in reflection and to participate in their roles as citizens in local and global contexts.

**Ethical Reasoning:** Students will be provided with opportunities to develop ethical awareness of societal issues, to exercise moral, intellectual and personal responsibility and to recognize that ethical decision making and reflection on various consequences are the elements of an on-going discernment process. Students will demonstrate ethical reasoning skills based on critical analysis that is grounded in reason and governed by diverse values.

**Knowledge of Self and Others:** Students will be provided with opportunities to reflect on their strengths, explore their assumptions, develop their athletic/physical potential and foster an understanding of their complex identities (connecting habits of mind, heart and body). They will be encouraged to explore a diversity of individuals, groups, and cultures so that they may grow in empathy and respect for the values of others. Students will demonstrate knowledge of the breadth of human diversity as well as the ability to examine and challenge their own beliefs when confronted with the views of others.

**Intentional Learning:** Students will be provided with opportunities to cultivate intellectual agility and creativity, purposeful learning, self-assessment, health awareness, self-confidence and the ability to manage change. Students will be encouraged to continue lifelong holistic development personally, professionally, aesthetically and physically through self-reflection, feedback from others and new learning experiences.

**Spiritual Growth:** Students will be guided to explore their own spiritual tradition, to understand the commitment involved in the practice of a faith, to engage in the common search for wisdom and to appreciate their place and role in a context larger than themselves. They will be encouraged to explore the meaning of a spiritual perspective on life, including an understanding of how this perspective shapes and guides decisions. They will be provided with opportunities to gain knowledge of world religions, to experience inclusive Catholic tradition, and to absorb the legacy of the Sisters of St. Joseph, all within the context of the diversity of human beliefs.

Ratified by the Chestnut Hill College Community in 2010.
Philosophy
Chestnut Hill College’s Accelerated Adult Degree Program in the School of Continuing and Professional Studies offers evening and weekend fast-track degrees to working adults. This alternative degree delivery model provides the opportunity for women and men to earn college degrees by delivering courses in a continuous eight-week format. Majors are related to business, education and social services. All degrees require a core liberal arts education.

Chestnut Hill College is committed to preparing students for living and working in a global community by offering undergraduate degree programs grounded in the liberal arts. The purpose of the educational experience is to:

- Educate students for their roles as responsible citizens in a global community.
- Provide links between the world of learning and the world of work, the liberal arts and professional studies.
- Affirm the concept of lifelong learning; and
- Uphold the ideals of social justice and the values inherent in the Judeo-Christian tradition.

Accreditation and Memberships
Chestnut Hill College holds institutional accreditation from the Middle States Commission on Higher Education, 3624 Market Street, Philadelphia, PA 19104, 267.284.5000. Institutional accreditation does not imply specialized accreditation of the programs offered. The College’s Accreditation was reaffirmed June 27, 2013.

Chestnut Hill College holds membership in the Association of American Colleges, the American Council on Education, the National Catholic Education Association, the American Association of University Women, the Council of Independent Colleges and Universities, the College Entrance Examination Board, Association of Catholic Colleges and Universities, Association of Colleges of the Sisters of St. Joseph, Association of Independent Colleges and Universities, Association of Governing Boards of Universities and Colleges, National Association of Independent Colleges and Universities, and numerous other educational groups and learned societies.

Chestnut Hill College belongs to the Southeastern Pennsylvania Consortium for Higher Education (SEPCHE), a group of eight independent higher education institutions in the Greater Philadelphia region. The members of SEPCHE engage in collaborative approaches to the challenges of higher education and work together to promote quality and efficiency of academic programming, student access, and community outreach through sharing a range of activities, services, technology and information.

The College is authorized by the Commonwealth of Pennsylvania to offer graduate programs and to confer the Doctor of Clinical Psychology, and Master of Arts, Master of Education, and Master of Science degrees in disciplines defined in their catalog.

The Doctoral program in Clinical Psychology (Psy.D.) is accredited by the American Psychological Association (APA). For general information about APA accreditation or specific information on the accreditation status of Chestnut Hill College, please contact: Office of Program Consultation and Accreditation, American Psychological Association,

- Attend an Information Session to learn about the program or
- Meet individually with the Director of Admissions to discuss the program.
- Submit an application for admission (with $40.00 application fee).
- Submit an official high school transcript or GED certificate.
- If transferring credits from another institution, request that an official transcript(s) be forwarded directly to:

  Chestnut Hill College  
  School of Continuing and Professional Studies  
  9601 Germantown Avenue  
  Philadelphia, PA 19118

**International Students**

International students follow all admission requirements as stated in the Admission section of this catalog. A TOEFL score of 550 (paper-based test) or 213 (computer-based test) is required; in addition, a financial statement indicating ability to pay must accompany application materials. The I-20 needed to obtain an F-1 visa is sent to the student upon receipt of these materials. (See International Student Services.) All persons born outside the United States need to meet with the Director of International Student Services when applying for admission.

**The Accelerated Adult Degree Program**

Chestnut Hill College’s Accelerated Adult Degree Program offers the opportunity to complete associate or baccalaureate degrees in an Accelerated eight-week format. In the degree program schedule, the calendar year is divided into six, 8-week sessions, and students may enter at the beginning of any session. Students attend classes one (M-F) or two (M/W or T/TH) evenings during the week; Friday afternoons; Saturday mornings; or Saturday afternoons. Students may take two courses every eight weeks, for a total of six credits per session. This arrangement makes it possible for students to be enrolled full-time for financial aid purposes and hold a full-time job.
Dual Majors
If students wish to major in two areas, they need to have maintained a cumulative GPA of 3.50 or better after having completed fifteen credits at Chestnut Hill College and are responsible for completing the degree requirements for each major. Application must be made before completing ninety credits towards the degree program. An academic advisor and the Director of the Accelerated Adult Degree Program must approve the student’s program of study, designating one area as the official major, which determines the degree (B.A. or B.S.). The degree will be awarded only in the primary major. If interested in a dual major, consult an academic advisor for detailed information on curriculum requirements. Both degrees will be listed on the official transcript.

Degree Programs
Chestnut Hill College’s Accelerated Adult Degree Program offers the Associate of Arts (A.A.), the Bachelor of Arts (B.A.) and the Bachelor of Science (B.S.) degree. A student may obtain an undergraduate degree by pursuing one of the following majors:

- Accounting and Business (B.S.)
- Business Administration (B.S.)
- Business Communications (B.S.)
- Childcare Management (B.S.)
- Criminal Justice (B.S.)
- Early Childhood Studies (non-certification)
- Healthcare Management (B.S.)
- Human Resources Management (B.S.)
- Human Services (B.S.)
- Liberal Studies (B.A.)
- Marketing (B.S.) Not admitting new students
- Organizational Dynamics (B.S.)
- Security Studies (B.S.)

Second Degree
Chestnut Hill College will grant a second baccalaureate degree to students with a baccalaureate degree from Chestnut Hill College or another accredited institution, and who wish to earn a degree in a different major. The student must satisfy the (current) requirements of the SUS/SCPS core curriculum and the major. For students who have already earned a baccalaureate degree at Chestnut Hill College, at least 30 new credits beyond the original degree and toward the second degree must be completed at Chestnut Hill College; at least 15 of these credits must be in the field of study. For students who have already earned a baccalaureate degree elsewhere, a minimum of 45 credits toward the second degree must be completed at Chestnut Hill College; at least 15 of these credits must be in the major field of study. Moreover, all Chestnut Hill College graduation requirements (e.g., GPA requirements) must be met.

Articulation Agreements and Transfer Partnerships
Chestnut Hill College has curricular and transfer partnerships with several two-year institutions, including but not limited to Bucks County Community, Community College of Philadelphia, Manor College, Delaware County Community College, Harcum College and Montgomery County Community College.). Please call the Director of Admissions at
215.242.7704 for updates on transfer partnerships, and for detailed information about dual admissions, core-to-core and program-to-program transfer opportunities, discounts for transfer students and tuition discount partnerships.

**Academic Policies and Procedures**

It is the responsibility of the student to know and comply with the academic policies, procedures, and regulations of the College as outlined in this Catalog. Such policies, procedures and regulations may change without prior notice.

**Academic Advising**

All course registrations require the approval of an Academic Advisor. It is further recommended that students meet with an Academic Advisor specifically to review academic records and progress. This review serves to avoid conflict in academic scheduling and misunderstanding of program requirements. Students are responsible for meeting the requirements of the degree or certificate and Prerequisites for courses in which they are enrolled. It is strongly recommended that if a student is planning to graduate within the year or has at least ninety credits, she/he should have a graduation audit completed with an Academic Advisor. The Accelerated Adult Degree Program Academic Advising Center is located in Clement Hall 115A.

**Academic Probation/Dismissal**

An academic probation letter serves as a precaution to an Accelerated student who is in danger of not attaining the necessary cumulative GPA to graduate in the School of Continuing and Professional Studies. Students placed on academic probation must meet with the Director of the Accelerated Adult Degree Program for academic advisement prior to registering for the next session(s). While on academic probation, a student is limited to registering for one course per session. A student who falls below the required GPA may be at risk of losing his/her financial aid. Probationary status is automatically withdrawn after
a student’s cumulative GPA reaches acceptable standing. A student who does not make academic progress and who continuously fails to raise the cumulative GPA may be dismissed from the Accelerated Adult Degree Program. Probationary and academic dismissal status is reported on the student’s official transcript. A dismissed student remains responsible for all tuition and fees. In addition violations to institutional regulations, including but not limited to plagiarism and cheating, sexual harassment, violence (both verbal and physical), firearms, theft, and alcohol and drug use may result in dismissal from the Accelerated Adult Degree Program.

**Academic Amnesty (Forgiveness)**

Undergraduate students who seek readmission to the School of Undergraduate Studies or the School of Continuing and Professional Studies following a four-year consecutive absence from Chestnut Hill College may petition their respective Dean to have their Career GPA reset at the time of readmission. Students are afforded one opportunity for Academic Amnesty. Upon successful petition, the Career GPA will be reset to 0.00 and the notation of “Academic Amnesty” will be recorded on the student’s transcript. Once enacted, the reset GPA cannot be reversed. All prior courses and grades will remain on the student’s academic record and transcript. Just as Chestnut Hill College reviews transfer courses in which a grade of “C” or higher has been earned for application towards the degree, Chestnut Hill College courses completed prior to readmission with a grade of “C-“ or above will be reviewed by the appropriate department to determine if and how the credits should be applied. Grades earned in these courses will not be calculated into the Career GPA. Students must complete a minimum of 45 credits post Academic Amnesty to be eligible for graduation.

**Academic Honors and Awards**

A student who receives the following cumulative grade point average upon completion of the degree requirements will be recognized at graduation: 3.60 cum laude; 3.75 magna cum laude; 3.90 summa cum laude. The final cumulative GPA and corresponding honors are recorded on the student’s permanent record. Other academic honors awarded to Accelerated students include:

**Dean’s List**

The Dean’s List for full-time students (those taking a minimum of 12 credits that earn academic credits) is published three times each academic year following the fall, spring, and summer semesters. Eligibility for inclusion is based upon two criteria: the completion of at least 12 academic credits for the semester with a GPA of 3.6 or higher, and the student’s not being held responsible for violations of academic integrity during that semester.

The Dean’s List for part-time students is published once every September. To be eligible, part-time students must have completed a minimum of 12 credit hours during the preceding 12 months. Eligibility for inclusion is based upon two criteria: a GPA for the 12 months of 3.6 or higher, and the student’s not being held responsible for violations of academic integrity during that 12-month period.
Honor Societies/Awards

Alpha Phi Sigma

Alpha Phi Sigma recognizes the academic excellence of undergraduate criminal justice students. Its mission is to promote analytical thinking; rigorous scholarship and lifelong learning; to keep abreast of the advances in scientific research; to elevate the ethical standards of the criminal justice professions and to sustain in the public mind the benefit and necessity of education and professional training. Membership in the Alpha Phi Sigma chapter at Chestnut Hill College requires all of the following: a major in Criminal Justice, a ranking in the top 35% of the senior class and have achieved an overall GPA of 3.2; and a GPA of 3.2 in the major. A minimum of four graded courses of the above course work shall be in the criminal justice field.*

Alpha Sigma Lambda

In 1987, Chestnut Hill College was given approval to establish a chapter (Epsilon Sigma) of Alpha Sigma Lambda. This National Honor Society, founded in 1946, recognizes adult students (24 years of age or older) in higher education who have achieved academic excellence and leadership while fulfilling the many responsibilities of family, work and community service. Potential inductees must be matriculated at Chestnut Hill College and have all of the following: a minimum of twenty-four graded semester credits. Members shall be selected only from the highest 20% of the junior/senior class and have a minimum cumulative GPA of 3.6.*

Delta Epsilon Sigma

This is the national scholastic honor society for graduating students of Catholic colleges and universities. Delta Epsilon Sigma established its Chestnut Hill College chapter, Alpha Upsilon, in 1941. Eligibility for election to membership is limited to students in the top 20% of the class with a minimum cumulative GPA of 3.6.

Kappa Delta Epsilon

The National Honor Society for Education promotes the cause of education by fostering a spirit of fellowship, high standards of scholastic attainment, and professional ideals among its members. Organized on March 25, 1933, Kappa Delta Epsilon admitted Chestnut Hill College’s Delta Beta Chapter in 1999. The society requires a cumulative GPA of 3.0 at the time of invitation. Education majors are eligible for nomination into the society upon completion of 84 or more semester hours and must have passed two of three PAPA examinations.*

Kappa Gamma Pi

Kappa Gamma Pi is the national Catholic college graduate honor society. Membership, which is limited to no more than 10% of the graduating class, is based on scholarship, leadership, and service. Members are selected in recognition of past accomplishments and also in anticipation of future service.

Psi Chi

Psi Chi, the national honor society in Psychology, is an affiliate of both the American Psychological Association and the American Psychological Society. Membership in the local chapter requires all of the following: a minor in Psychology; a ranking in the top 35%
of the senior class; a Career GPA of 3.2; a Psychology GPA of 3.5; and the completion of 4 or more Psychology courses.

**Sigma Beta Delta**
Sigma Beta Delta, the national honor society that encourages and recognizes scholarship and accomplishment among students of business, management, and administration, established its chapter at Chestnut Hill College in 2006. Eligibility for election to membership is limited to those students who rank in the top 20% of the senior class and have achieved an overall GPA of 3.5 at the time of invitation to membership following completion of at least one-half of the degree program in which they are enrolled. Transfer students who meet the qualifications for membership may be inducted after they have completed a minimum of 12 credits in the Accelerated Adult Degree Program.*

**Tau Upsilon Alpha**
Tau Upsilon Alpha, the National Honor Society for Human Services, is an affiliate of the National Organization for Human Services. Membership in the Tau Alpha chapter at Chestnut Hill College requires all of the following: a major in Human Services, a ranking in the top 35% of the senior class and have achieved an overall GPA of 3.25. Recipients must exemplify the leadership and ethical characteristics of the Ethical Standards of Human Services Professionals. Transfer students who meet the qualifications for membership may be inducted after they have completed a minimum of 12 credits in the Accelerated Adult Degree Program.*

*Class ranking, GPA and class will be determined after the Fall 2018 semester.

**Scholastic Achievement Award**
The Scholastic Achievement Award is presented to a School of Continuing and Professional Studies graduate in recognition of academic excellence, leadership and community involvement. This award is given to the SCPS graduate with the highest earned overall GPA.

**Distinguished Service Award**
The Distinguished Service Award is presented to the School of Continuing and Professional Studies graduate who has overcome adversity and has persevered to complete his/her educational goals.

**The Saint Marie Eugenie Milleret Award**
This award is given to a graduate in Chestnut Hill College’s School of Continuing and Professional Studies who best exemplifies the educational traditions of the Religious of the Assumption. A person of Dignity, Character, Passion, Humility, Intelligence and Vision.

**Saint Catherine Medal**
The St. Catherine Medal for Student Achievement is an annual award for presentation at colleges and universities affiliated with Kappa Gamma Pi, the National Catholic College Graduate Honor Society. Kappa Gamma Pi offers the St. Catherine medal to honor a student who represents the high ideals of a Catholic college education.
Sister Matthew Anita MacDonald, SSJ, PHD Outstanding Continuing Education Student Award

The award was created in 1992 in honor of the conclusion of the 12-year term of the fifth president of the College, who was also a member of the Class of 1960 and Director of Continuing Education from 1975 to 1980. The award is given to a student in the School of Continuing and Professional Studies for academic achievement and community leadership.

Academic Integrity and Responsibility Policy

Academic integrity, which is essential to the mission of Chestnut Hill College, consists of responsibility and honesty in the fulfillment of academic duties and is vital to the Chestnut Hill College community of scholars. Academic integrity promotes trust, mutual respect, cooperation, and the advancement of learning.

Academic integrity requires of students:

- Careful and thorough preparation for classes, including reading, completion of assignments, finding required background material, and reflecting on relevant issues.
- Regular and prompt attendance for the entire class session unless there is a serious reason for absence. Effort to maintain careful and focused attention during class.
- Participation in class discussion by both speaking and listening.
- Consistent attendance at lectures, events, study groups, and/or conferences with the instructor, as required or suggested by the instructor.
- Asking questions and seeking appropriate assistance from peers, academic support staff, and instructors, as needed.
- Respect for instructors and students.
- Careful and thorough preparation for and complete honesty in fulfilling assignments, writing papers, citing sources, and taking tests and examinations.
- Speaking to any student observed in violation of academic integrity, to discourage such violation. If this is not successful, reporting the violation to the appropriate academic authority.

Cheating and Plagiarism

Cheating and plagiarism destroy the trust and mutual respect that are essential to a community of learning. These behaviors violate the deepest convictions of the College community and are infractions of academic integrity. Plagiarism is defined as the submission of work (written work, art work, musical composition, oral presentation, software program, experimental design, etc.) that incorporates ideas from another individual (student, teacher, author, etc.) and presents these ideas as one’s own without adequate acknowledgement of the source.

The following acts are examples of cheating, though the list is not exhaustive:

- Using materials not specifically allowed by the instructor during the taking of an examination, test or quiz, such as material written by another student during the taking of an examination, test or quiz, either with or without his or her knowledge; crib notes; texts and/or supplementary marginal notations in texts; notes written on any object in the room in which examination is being taken; unauthorized calculators or any other unauthorized aids.
• Collaborating during an in-class examination, test or quiz, either in the giving or receiving of information, or improper collaboration on a take-home examination, test or quiz, or laboratory report.
• Stealing, using or transmitting verbally or otherwise, actual examinations, tests, quizzes or portions thereof, or other likewise confidential information before or during the time of the exam. Once an exam has been given it becomes part of the public domain.
• Submitting for a grade in one class any material previously or simultaneously submitted for a grade in another class without documented authorization from both instructors.
• Taking an examination by proxy. Falsifying laboratory or research data or results; or falsifying or inventing bibliographical entries for research papers.
• Withholding knowledge of an incident of cheating or plagiarism from the individual instructor to whom the work is submitted.
• Knowingly participating in another student’s act of cheating or plagiarism.

The following acts will be deemed acts of plagiarism, though the list is not exhaustive:

• Presenting published or unpublished work prepared by others, or dictated by others, as your own, including papers purchased or borrowed from any person or organization.
• Presenting, as your own, reports or exercises copied from or dictated by others.
• Incorporating formal lecture notes or information from textbooks into your own work without acknowledgement and thus presenting them as one’s own.
• Presenting as your own, a computer solution developed by someone else.
• Copying the ideas, and/or speculations, and/or language of any other person or persons, without acknowledgement, and presenting this as one’s own original work.

Penalties
Faculty members are responsible for determining when a violation of academic integrity has occurred, as well as for reporting and providing penalties for this violation. Because consequences may differ when multiple infractions have occurred, all violations must be reported to the Dean of the School of Continuing and Professional Studies. The Dean’s Office is responsible for keeping track of the number of times a student is reported. Penalty levels:

A. Remediation/written warning
B. Assignment of additional work
C. No credit for the test or assignment
D. Failure of the course
E. Suspension from participating in optional College activities such as SGA, athletics, honor societies and programs, etc.
F. Dismissal from the College

A faculty member may impose any of the penalties A through D at his/her discretion; however, the faculty member should first check with the Dean to determine whether the student has previous infractions of Academic Integrity. When imposing a penalty, a faculty member must send a report to the Dean’s Office, including the name of the student and a description of the violation and the penalty imposed. Forms are available in the Office of the Dean of the School of Continuing and Professional Studies.
Penalty E is enacted by the Dean of the School of Continuing and Professional Studies when the violation is severe or when the student has multiple infractions. Penalty F can only be enacted by the President in consultation with the Dean. Even a first offense, if severe, may incur these penalties.

**Appeal of Academic Integrity Violation**

A student who is reported to the Dean for a violation of academic integrity may appeal the charge according to the following procedure:

1. Academic integrity cases should first be addressed between the faculty member and the student in an effort to reconcile their differences. If the faculty member decides to pursue the case, he or she will complete the appropriate form, obtain the student's signature, and submit the form to the Dean of the Accelerated Adult degree program.

2. If the student disagrees with the charge, he or she will have three weeks to present an appeal in a signed letter to the Dean. It is the charge that is in question, not the penalty. All participants in the hearing must have three working days’ notice of the hearing.

3. In the SCPS, the appeals board will be composed of four members: the Dean, the Chair of Academic Standards committee, one other faculty member and a student, both appointed by the Dean. The Dean will moderate the discussion but will not vote.

4. If the case is brought to the appeals board, both student and faculty member will present relevant evidence. If more than one student is involved, each will have a separate hearing. No attorneys are to be present at this hearing. Only individuals approved by the Dean may be present.

5. The Appeals Board will pronounce on the charge, not the penalty. If the student is found innocent, the sanction is lifted. Otherwise it remains as imposed. The decision of the Board is final. The Dean will communicate the decision to the student within ten working days of the hearing.

**Acceptable Academic Standing**

An Accelerated Adult Degree Program student is said to be in acceptable academic standing if she/he earns the minimum applicable cumulative GPA of 2.0. (Accounting and Business requires a cumulative GPA of 2.5 in the major. Education majors must maintain a cumulative GPA of 3.0.) Failure to maintain the applicable cumulative GPA may result in a change of major or academic dismissal from the Accelerated Adult Degree Program.

**Alcohol and Drug Policy**

Chestnut Hill College expects from each student a mature recognition of her/his responsibilities regarding the use of alcoholic beverages. No student is permitted to possess or use alcoholic beverages on campus. Each student is responsible for knowledge of the Pennsylvania statutes that prohibit the serving, possessing, consuming or selling of alcoholic beverages to persons less than twenty-one years of age. Students may not use, possess, distribute, or offer for sale narcotics or dangerous drugs, including marijuana or any hallucinogenic agents. Possession of and merchandising drugs is a serious offense that may result in expulsion. The use of drugs is a violation of the law, and Chestnut Hill College cannot and will not protect students from prosecution under the federal and state laws. Possession of, or consumption of drugs or alcohol, or misconduct resulting there
from is a serious offense which may be subject to penalties up to and including, suspension or expulsion, depending on the seriousness and the extent of the offense.

**Attendance Policy**

Regular, timely attendance is an essential part of every student’s course work. Students must attend all classes as scheduled. Students who fail to attend the first two classes in any session will NOT be allowed in the class, will be dropped. Attendance is taken and recorded at each class meeting, including labs (if applicable). Students enrolled in a hybrid/online class will be considered absent if they fail to log into Blackboard/Canvas and/or my.chc.edu and submit assignments associated with the class session. Instructors will announce their course requirements, policies on participation, and methods of assigning grades at the beginning of the session. An instructor may ask a student to justify excessive absences, early departures or lateness. Permission to make up assignments, quizzes, announced tests, or examinations may be granted only at the discretion of the instructor. Excessive absences, early departures or lateness may result in a failing grade or dismissal from a class. The U.S. Department of Education requires attendance records for federal financial aid programs. Excessive absence may result in loss of financial aid eligibility.

**Audit and Cultural Enrichment**

Chestnut Hill College’s Accelerated Adult Degree Program actively encourages members of the community who seek self-improvement or desire educational enrichment to participate in courses of special interest. If students wish to audit or take classes for cultural enrichment, the following regulations apply: no attendance is recorded for auditing students; no assignments or papers are corrected; no examinations are taken; and no credit is given. A record of the audit is kept in the Office of the Registrar. A course audited or taken for cultural enrichment may not be used for credit. Tuition for audit is the same as for credit.

**Cancellation of Courses/Programs**

Chestnut Hill College or the School of Continuing and Professional Studies reserves the right to cancel courses due to insufficient enrollment, staffing difficulties, or other unforeseen contingencies. In such cases, students will be informed as soon as possible so that other courses may be selected. Occasionally, majors or certificate programs may be terminated. Reasonable efforts will be made so that students who have matriculated will be able to complete those programs.

**Cancellation of Class Due to Inclement Weather (Snow, Flooding, etc.)**

Students are encouraged to enroll in Chestnut Hill College’s campus emergency notification service at [http://www.chc.edu/emergency_notification_service](http://www.chc.edu/emergency_notification_service). Instructors have the responsibility of rescheduling and making up missed time and course work for any cancelled classes. Students are expected to complete all supplemental course work or meetings assigned to offset missed class time as required by individual instructors.

Because of the Accelerated sessions and the year-round academic program, the Accelerated Adult Degree Program does its best to avoid cancelling classes and/or examinations. Should a severe weather or other emergency happen, cancellation of Accelerated Adult Degree Program classes will be available on KYW AM 1060 by 3pm. The closing number for the Accelerated Adult Degree Programs is 1094. Closing messages will also be recorded on the College’s phone 215.248.7009 and published on the
College homepage at www.chc.edu. SCPS classes scheduled at off-site locations will be cancelled if CHC and/or the off-site locations close. If the College is open, faculty, staff and students are expected to report to campus. However, due to regional differences in weather conditions, your safety and welfare are paramount. Please take appropriate precautions when necessary.

**Change of Address**

To signal a change of address, telephone number, place of employment, or other contact information, students should email any changes to the Associate Registrar at scheetzm@chc.edu. Change of Address Forms are available in the Accelerated Office. Students are responsible for ensuring that all communications are directed to their proper addresses.

**Change of Major**

Students who wish to change their major must submit their request in writing to the Accelerated Office. Changing a major requires a re-evaluation of all credits and may require additional courses beyond the minimum credits required for graduation.

**Change of Registration**

**Students may change their course schedules at any time prior to session start dates.**

A student may change his/her registration online or may send an email to the Associate Registrar at scheetzm@chc.edu. All registration changes must be approved by an Academic Advisor. A $50.00 fee may be applied.

**Military Students**

Chestnut Hill College requires all student to adhere to the same academic policies and procedures. However, the College does recognize the unique circumstances arise in military services. Please contact the Office of the Registrar at 215-248-7005 or email at registrar@chc.edu for specific questions regarding disruption of your academic program (e.g. deployment), change of registration, course withdrawal or incompletes.

**Classification of Students**

A first-year student is a student with fewer than twenty-four credits.

A sophomore is a student who has satisfactorily completed twenty-four credits with a minimum cumulative GPA of 2.00.

A junior is a student who has satisfactorily completed fifty-four credits with a minimum cumulative GPA of 2.00.

A senior is a student who has satisfactorily completed eighty-four credits with a minimum cumulative GPA of 2.00.

Full-time status refers to a course load of twelve credits across two sessions in the fall, spring, or summer. This designation is applicable to financial aid requirements only.

Those who are classified as a School of Continuing and Professional Studies Accelerated Adult Degree Program student qualify for the Accelerated part-time tuition rate, and are therefore classified by Chestnut Hill College as part-time students.
Closed Courses
Students will not be permitted to enroll in courses at maximum enrollment (“closed” courses). Exceptions to this policy can only be made by the Dean of the Accelerated Adult Degree Program and the Associate Registrar when a student graduating at the end of the current session needs the specific course in order to complete her/his degree requirements. Closed course lists are updated frequently and are available at my.chc.edu.

Commencement Exercises
Chestnut Hill College confers baccalaureate degrees three times a year: August, December and May. All graduates are encouraged to participate in the annual commencement procession in May, including those who received diplomas in August or December of the same academic year. Students who have not completed their academic program will not be permitted to participate in commencement. It is the student’s responsibility to make certain all graduation requirements are successfully completed. Students with a business or library hold will not be permitted to participate in commencement exercises, receive their degree or transcript until the hold is lifted. See the current academic calendar for Degree conferral dates.

Course Overload
Two courses per session is considered within load. An overload of one course (9 credits total) per session may be permitted to students in good academic standing, with the approval of an Academic Advisor or the Dean of the Accelerated Adult Degree Program. A student in good academic standing, in this context, is defined as one who has completed at least 15 credits at CHC and who maintains a cumulative GPA of 3.2 or better. Accelerated Adult Degree Program students are not permitted to enroll in more than nine credits per session for any reason, at any time.

Course Registration
Students are responsible for reviewing course prerequisites and determining the appropriateness of their academic preparation in consultation with an Academic Advisor. When possible, students should register for two sessions at a time: Fall 1 and Fall 2; Spring 1 and Spring 2; or Summer 1 and Summer 2. No registration will be processed until all financial obligations to the College have been met. (See Financial Information for billing policies.)

Registration information is sent via CHC email to students three times each academic year: Fall, Spring and Summer. Students may register online at my.chc.edu. All registration requests must be approved by an Academic Advisor. Prior approval may be needed for certain courses. Academic Advisors are available for help with course selection and planning.

Course Syllabi
Faculty members are expected to state on their syllabi at the beginning of each session policies on such matters as academic integrity, class attendance, frequency of examinations, use of notes and textbooks during examinations, submission and grading of written assignments and papers, their grading scale, and the basis for determining the final grade. College policies as published in this Catalog also apply. It is the student’s responsibility to carefully review this information.
**Degree Candidacy**

It is the student’s responsibility to see that all graduation requirements are fulfilled. The minimum credit hour requirement for graduation is 120 credits and the minimum course requirement is 40 courses. A candidate for graduation must also satisfy the following:

- Achieve a minimum cumulative GPA of 2.00 for all courses presented for the degree;
- Achieve a minimum cumulative GPA of 2.00 for courses required in her/his major and offered by the major;
- If majoring in Accounting and Business, achieve a minimum cumulative GPA of 2.50 in the major;
- If majoring in Education, achieve a minimum overall cumulative GPA of 3.0;
- Achieve a grade of “C-” or above for all courses required in the major area of study;
- Achieve a grade of “C-“ or above for all courses required in the minor area of study;
- If a transfer student, complete a minimum of forty-five credits (fifteen courses) at Chestnut Hill College;
- If a transfer student, complete half the courses required in the major at Chestnut Hill College.

**Disabilities Policy Statement**

Consistent with Section 504 of the Rehabilitation Act of 1973 and Title II of the American with Disabilities Act of 1990, students with documented disabilities may seek relevant, reasonable, academic or housing accommodations or auxiliary aids. Chestnut Hill College is committed to providing equal educational opportunities for qualified students. The College is in compliance with applicable federal and state laws. Disclosure of a disability is voluntary and confidential. To access services, students must submit documentation to verify eligibility under Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990.

Documentation must state the nature of the disability and provide adequate information to support accommodations. Accommodations will be determined on a case-by-case basis. The College reserves the right to request additional information if necessary, especially in cases where re-certification of a disability is warranted.

Students should contact Dr. Dolly Singley, CRC, Director of Disabilities Resource Center at 215.753.3655 or singleyd@chc.edu.

**Exit Interviews and Application for Graduation**

Each student’s program is subject to degree requirements as outlined in the dated catalog at the time of the student’s initial enrollment in the program. When planning to graduate, students should contact the Associate Registrar to request an audit of their academic
record. Pending graduates must request the audit at least two months prior to graduation. The last day to request the audit is published in the Academic Calendar. Exit interviews are done via the CHC email system. Students must complete all course requirements and remove all financial indebtedness to Chestnut Hill College prior to receipt of degree and/or participation in graduation.

**Family Education Rights and Privacy Act**

This act protects the privacy of educational records, establishes the rights of students to inspect and review their educational records, and provides guidelines for the correction of inaccurate or misleading data through formal or informal appeals. Currently enrolled students may withhold disclosure of information under the Family Educational Rights and Privacy Act of 1974, as amended. To withhold information regarding educational records, a currently enrolled student must give written notification to the Associate Registrar’s office within two weeks after the first class meeting of any course.

Disclosure to the following parties, however, is specifically excepted by the Privacy Act from this rule:

- administrative and academic personnel within the institution who have a legitimate educational interest;
- officials of the institution in which the student seeks to enroll;
- persons or organizations to whom the student is applying for financial aid;
- certain federal and state government officials;
- organizations conducting studies relating to tests, student aid program, instruction;
- appropriate persons where a health or safety emergency affecting the student exists;
- any person where the disclosure is required for compliance with a judicial order to proper subpoena.

Copies of The Family Education Rights and Privacy Act are available in the Registrar’s office, third floor, St. Joseph Hall.

The Chestnut Hill College Accelerated Adult Degree Program staff will not disclose a student’s address or telephone number to another student. Students may request withholding information from directories by written notification to the Associate Registrar’s Office.

**Firearms Policy**

The Chestnut Hill College policy concerning the possession and use of firearms conforms with the Pennsylvania Uniform Firearms Act. Firearms are not permitted in any College building.

**Grade Appeal**

Students who feel there has been an error in grading may pursue a grade appeal. This process must begin before the end of the session immediately following the session in which the grade was assigned. The student must initiate the process by first appealing in writing to the instructor who has given the grade, providing the instructor with any relevant material/evidence in support of appeal. If requested by the student, the instructor should provide within one week of the request a written statement to the student detailing the reasons for the grade.
If consultation with the instructor does not lead to a resolution satisfactory to the student, the student may, within five days of the instructor’s response, appeal in writing to the Chair of the appropriate department or program stating the reasons for the disagreement and presenting evidence in support of appeal (course syllabus, copies of assignments and exams, etc.)

If the decision of the Chair remains unsatisfactory to the student, the student may, within five days of the Chair’s written response, request that the Dean of the School of Continuing and Professional Studies form an ad hoc committee (consisting of the Dean and three faculty members other than the instructor and department Chair) to review the issue. As part of the request, the student must supply 4 copies of relevant supporting documentation arranged in chronological order. The ad hoc committee will convene as soon as possible. The Dean of the School of Continuing and Professional Studies will forward all relevant material to the ad hoc committee in sufficient time for it to be reviewed prior to the meeting. The student and instructor will present their arguments before the ad hoc committee in one another’s presence. The student and instructor will answer questions from the committee. The ad hoc committee, deliberating in private, will review the evidence and reach a decision. The Dean of the School of Continuing and Professional Studies will notify the student of the final decision.

Grade Changes after Submission
After submitting a final grade, an instructor may change it only under the following conditions:

- The change must be submitted on the official Grade Change form via the CHC email system, within two weeks into the next semester or session of the school in which the course was taken.
- The instructor must state the reason for the change, which must be due only to serious extenuating circumstances.
- The instructor may not assign nor accept any additional work after submitting the final grade. Please refer to other College policies regarding grade appeal by the student, or incomplete grades.

Grade Point Average (GPA)
In addition to passing all courses, the student is required to maintain a specific cumulative GPA in order to be in acceptable academic standing, to maintain financial aid eligibility (See Financial Information section) and to graduate. Only courses for which a letter grade is given and that are presented for the degree are computed into the cumulative GPA. The cumulative GPA is calculated in the following way: The quality points per course are determined by multiplying the number of semester credits (3, 6, 9, etc.) by the number of quality points assigned to the grade received (e.g., “A” = 4.0 quality points). The sum of the quality points received for all courses is then divided by the number of semester credits earned.

Quality points per course = semester credits multiplied by quality points.

Grade-point average (GPA) = sum of the quality points of all courses divided by the number of semester credits earned.
**Grading System**

Faculty members have the right to use other grading scales and are required to report their scale of use on all course syllabi.

\[
\begin{align*}
A & = 93-100 & C+ & = 77-79 \\
A- & = 90-92 & C & = 73-76 \\
B+ & = 87-89 & C- & = 70-72 \\
B & = 83-86 & D+ & = 67-69 \\
B- & = 80-82 & D & = 60-66 \\
        &            & F & = 59 and lower
\end{align*}
\]

Academic achievement is designated by the following letters on student transcripts:

\[
\begin{align*}
A & = 4.0 \\
A- & = 3.7 \\
B+ & = 3.3 \\
B & = 3.0 \\
B- & = 2.7 \\
C+ & = 2.3 \\
C & = 2.0 \\
C- & = 1.7 & * Minimum grade required for all courses in the major/minor \\
D+ & = 1.3 \\
D & = 1.0 \\
F & = 0.0 \\
WF & = withdrawal/failure: given when a student withdraws after the approved time period \\
Grade+N & = Non-academic course
\end{align*}
\]

Courses with a grade of F, WF or Grade+N are calculated in the Term and Career GPAs as well as Attempted Credits, but any credits passed are not calculated in Earned Credits. (Example: UEMA 100-Developmental Math-B+N)

\[
\begin{align*}
I & = \text{Incomplete} \\
P & = \text{Pass} \\
NR & = \text{Not Recorded} \\
W & = \text{Withdrawal during the approved time period} \\
AU & = \text{Audit} \\
CL & = \text{College Level Examination Program (CLEP)} \\
CR & = \text{Credit} \\
PA & = \text{Portfolio Assessment}
\end{align*}
\]

**A/A-** indicates mastery of the course content accompanied by evidence of exceptional achievement in critical, independent thought masterfully expressed.

**B+/B/B-** indicates a good grasp of course content accompanied by evidence of a marked achievement in critical, independent, and creative thought competently expressed.

**C+/C/C-** indicates an adequate grasp of course content accompanied by an average achievement in critical, independent, and creative thought and the capacity to express it.
D+/D indicates a limited grasp of course content and evidence of minimal achievement in critical, independent, and creative thought. (A grade of “D” or “D+” is not acceptable in the major and must be repeated.)

F indicates an insufficient grasp of course content with evidence of an unacceptably low achievement in critical, independent, and creative thought.

I indicates an Incomplete. (See Incomplete Grades below)

P/F indicates a pass/fail grade. Internships are graded on a pass/fail basis. A grade of “P” (pass) is not computed in the cumulative GPA. The grade of “P” indicates that the student has received full credit for the internship toward graduation; the grade of “F” indicates that the student has failed the internship, and receives no academic credit and it is computed into the cumulative GPA.

Graduate Course Enrollment
A Chestnut Hill College Accelerated Adult Degree Program student may begin graduate work in the School of Graduate Studies at Chestnut Hill College while fulfilling the requirements of an undergraduate degree if the student’s academic performance and promise justify such action. Credits earned in excess of those required for the undergraduate degree may be applied toward an advanced degree. Students must have senior status, a cumulative grade-point average of 3.2 and permission of the Dean of the School of Continuing and Professional Studies and Dean of the School of Graduate Studies. Graduate Course Permission forms are available in the Accelerated Office and in the Academic Advising Center. Registration is completed through the Accelerated Adult Degree Program.

Incomplete Grades
An incomplete grade can be given only in an emergency situation when a student is unable to complete the course by the end of the session. Approval from the Dean of the School of Continuing and Professional Studies and permission from the instructor is required. An Incomplete Grade Request Form must be completed by the faculty member, signed by the student, and submitted to the Dean for approval prior to the last class meeting. If approved, all required work must be completed and submitted to the instructor prior to the fifth week of the next session. An incomplete grade will automatically change to an “F” if all work is not completed by five weeks into the next session. (See Academic Calendar for specific dates.)

Independent Study
Permission of the Dean of the School of Continuing and Professional Studies is required to study independently. Permission will be granted only in exceptional circumstances such as the course is needed for graduation and is not scheduled.

Internships
An internship is a Major Elective option for most majors and is offered on a pass/fail basis. Three academic credits are awarded for each internship. Students must have a GPA of 3.0 and have earned 84 credits. Requests for letter grades must be submitted in writing prior to the beginning of the internship. Criteria for internships are available from Dana Morici, Esq., Assistant Professor of Criminal Justice. moricid@chc.edu
**Late Registration**

Registration during the last full week before a session begins may be accompanied by a $55 fee. Students may not add a course after the class has met. Sessions start with published session dates on the Academic Calendar, not the date of the student’s first scheduled class. Exceptions to regularly published dates are posted on all Accelerated bulletin boards. Please check for holiday schedules on the Academic Calendar.

**Leave of Absence Policy**

At times, students may encounter circumstances that require time away from the College. In these situations, a student may request a leave of absence (LOA). A leave of absence may be requested for a variety of reasons. This policy specifically speaks to the following categories:

- Medical Leave of Absence
- Involuntary Medical Leave of Absence
- Compassionate Leave of Absence

A LOA provides students with the opportunity to remain in standing with the College and eliminate the need to apply for readmission. In each case described below, the student is responsible for completing the necessary paperwork and providing appropriate documentation.

In general, a LOA is designed to allow a student to completely step away from the institution. Students needing to change their status from full-time to part-time, who need to request an incomplete, or who need accommodations in order to stay successfully enrolled should contact the Dean of the appropriate school (Undergraduate, Continuing and Professional Studies, or Graduate), the Disability Resource Center, or consult the appropriate policy in their respective Academic Catalog.

Please note that any leave from the institution may have financial aid implications. Students are encouraged to review the Return of Title IV Funds Policy found in the Academic Catalog and to meet with Student Financial Services prior to finalizing a LOA.

**Medical Leave of Absence**

While enrolled at the College, students may encounter physical and/or mental health issues that interfere with their ability to fully and safely engage in the academic and campus life of the institution. A medical Leave of Absence (MLOA) allows a student to step away from their studies to receive the appropriate treatment. A MLOA is designed to support students when treatment for a physical and/or mental health issues. Common reasons for a MLOA may include major accident, injury or significant illness requiring extended treatment, addiction and substance use disorders, and/or mental health reasons. In order to request a MLOA, a student must:

- Have a documented major physical or mental health issues that cannot be mitigated in a short period of time.
- Provide documentation from a licensed health professional that supports the specific physical or mental health issues. This documentation must be typed and submitted on official letterhead. This documentation should specify the reasons for the leave and the anticipated length of time needed for the leave.
Depending upon the condition of the student, the Dean may request a meeting with the student. However, when in the best interest of the student, a decision may also be made based on the provided written documentation.

The Dean’s office will make the final determination on a MLOA.

**Involuntary Leave of Absence**

In most cases the College will work with the student to create a mutually agreeable and voluntary leave. In rare cases, Chestnut Hill College may determine that an involuntary Medical Leave of Absence (IMLOA) is necessary. An IMLOA will be considered when a student is unable to participate in campus and academic life due to medical issues and/or when a student's behaviors are disruptive to the educational or co-curricular experience on campus. While any IMLOA will be handled using an individualized assessment, acute danger to self or others, an inability to manage daily tasks, and/or an inability to follow a proscribed behavior plan (including use of appropriate support services) may result in the College initiating the IMLOA process. The decision to mandate an involuntary Medical Leave of Absence will be made following an individualized assessment; this individualized assessment may include members of the College’s Wellness Team and/or Threat Assessment Team. An IMLOA may be short-term (10 business days or less) or long-term (e.g. the remainder of the semester or academic year).

A student who disagrees with the College’s decision to impose an involuntary MLOA may submit an appeal. Appeals will be reviewed jointly by the Vice President for Academic Affairs and Vice President for Student Life; the involuntary MLOA will remain in effect while the appeal is pending. Appeals must be received within 5 business days of being placed on an Involuntary Leave, must be made in writing and include appropriate documentation to support the appeal. The Vice President for Academic Affairs and Vice President for Student Life may request to meet with the student (as appropriate) and consult with other staff members who have knowledge about the original decision. An appeal decision will be issued within 5 business days. This decision will be communicated in writing and will be final.

During an IMLOA, a student may be subject to restrictions including, but not limited to, temporarily being banned from campus.

**Compassionate Leave of Absence**

While enrolled at the College, students may encounter situations that require them to take leave to care for a sick parent, partner, or dependent, or following the birth or adoption of a child. In these cases, a student may request a Compassionate Leave of Absence (CLOA). In order to request a CLOA, a student must:

- Submit a written request for a CLOA to the Dean of the appropriate school (Undergraduate, Continuing and Professional Studies, or Graduate), including documentation to verify the circumstances precipitating the need for a CLOA.
- Upon receipt of the written request, the Dean will request a meeting with the student; every effort will be made to hold a meeting within 5 business days, including having a telephone meeting, with the goal of approving or denying the request within an additional 5 business days.
Returning from a Leave of Absence

The request to return from a LOA, including the required documentation if returning from a MLOA, must be submitted to the Dean of the appropriate school (Undergraduate, Continuing and Professional Studies, or Graduate) utilizing the instructions provided at the time of the leave. The College and the student may mutually agree to extend this deadline when appropriate. Return from a LOA will not be permitted following the drop/add period for the specific semester during which the student is attempting to return. This policy is designed to support the success of students as they reenter into their education at the College.

Returning from any type of LOA can be simultaneously rewarding, exciting, stressful, and demanding. To help ensure a successful reentry, students returning from any type of voluntary LOA are required to meet with the Dean in the School of Continuing and Professional Studies. In order to return from a MLOA, the student must submit documentation (typed and submitted on official letterhead) from a licensed health professional addressing the student’s current health status and ability to return to his or her studies.

Depending upon the reasons for the original leave, the student may decide to request support from a number of offices on campus. As appropriate, the College strongly encourages students to utilize the Counseling Center, Student Health, the Disability Resource Center, Academic Advising, and the respective Dean’s offices upon return from a LOA.

Returning from an IMLOA requires a student to fulfill all conditions set forth in the written notification of the IMLOA. In order to return from an IMLOA, the student must submit documentation (typed and submitted on official letterhead) from a licensed health professional addressing the student’s current health status and ability to return to his or her studies. The request to return from an IMLOA must be submitted utilizing the instructions provided at the time of the leave. Working in collaboration with the Wellness Team and Threat Assessment Team, the Dean of the appropriate school (Undergraduate, Continuing and Professional Studies, or Graduate) and/or the Dean of Student Life may place conditions upon the student’s continued enrollment at the College. Failure to comply with these conditions may result in another IMLOA or Administrative Withdrawal from the College.

In all types of LOA, a student who fails to contact the College within the determined time period, and who subsequently fails to establish communication with the College, may be withdrawn from the institution per the College’s Administrative Withdrawal Policy.

Math Placement Examination

The Math Placement Examination is designed to encourage strong academic performance in mathematics courses, and courses for which mathematics is a Prerequisite. Workshops are available to help prepare for the Math Placement Exam. Accelerated Adult Degree Program students must take a Math Placement Exam prior to their registration in a mathematics course.

Examination is waived when a student has transferred mathematics courses equivalent to all mathematics courses required for the chosen CHC degree, or the equivalent of the first
mathematics course required in the major curriculum track (i.e.: UEMA 104 Math for Business I or UEMA 153 Mathematics: Basic Mathematical Theory and Applications I).

Students will be placed in mathematics courses based on their placement exam results. These results may indicate that students need to take one or more Prerequisite courses prior to those mathematics courses specified for their major. Therefore, the number and sequence of courses students will complete in mathematics will be determined by their test results and major requirements. Students may not enroll in any mathematics course for which they are not qualified. Students need not re-take the placement exam before every course.

Computer-based placement exams are administered in the Math Center on the third floor of Saint Joseph Hall. Students will receive their exam scores and associated placement by e-mail within three weeks of completing the exam. Students should schedule a placement exam at least six weeks prior to course registration. Students can sign up for the Math Placement Exam by calling the Math Center at (215)248.7088. Students must provide photo ID at the test site.

**Official CHC Email**

Every currently enrolled student is entitled to an “@chc.edu” email account. As part of the College’s Mission to respect our resources, many previously paper-based processes are now conducted electronically. It is the student’s responsibility to make sure all messages sent to the official @chc.edu email account are read in a timely manner.

**Online Learning**

Chestnut Hill College’s Accelerated Adult Degree Program offers courses that may be partially completed away from the traditional classroom. Hybrid courses will enhance and integrate classroom lectures with the use of computers, e-mail, the Internet, and Blackboard.com. The instructor will give students a syllabus on the first night of class concerning specific hardware/software requirements. Additional online learning opportunities are offered on a limited basis through a special consortium relationship coordinated by Regis University.

**Prior Learning Assessment (PLA)**

The Accelerated Adult Degree Program offers several options for students to earn credit for prior learning. [https://www.chc.edu/accelerated-degree-programs](https://www.chc.edu/accelerated-degree-programs) These include the following:

**Portfolio Assessment**

Students who have acquired knowledge through prior experience may apply for credit through portfolio assessment. Designed for the highly self-directed learner, this process demands rigorous self-assessment, critical analysis of the level of learning acquired, work samples and/or exhibits, third-party verification, and other documentation. Well documented college-level learning can earn up to fifteen college credits after the successful completion of fifteen credits in the Accelerated Adult Degree Program with a cumulative 3.50 GPA and prior to the last fifteen credits required for the degree. Students who wish to apply for portfolio assessment should contact Dana Morici, Esq., Assistant Professor of Criminal Justice. moricid@chc.edu
Credit by Examination Options

Advanced Placement
Students may receive transfer credit for Advanced Placement Exams that were previously taken.

College-Level Examination Program (CLEP)
The Accelerated Adult Degree Program recognizes fifteen approved CLEP credits at the ACE recommended level. Each CLEP examination is equivalent to one three-credit course. Credit for CLEP will be given after a) having earned fifteen credits in the Accelerated Adult Degree Program, and b) students are advised to take CLEP(s) prior to registration for the final fifteen credits required for the degree. CLEP credits are recorded on the academic transcript as transfer credits and not calculated in the cumulative GPA.

Challenge Examination
Accelerated Adult Degree Program students may challenge up to twelve credits in four approved courses after the successful completion of fifteen credits in the Accelerated Adult Degree Program with a cumulative 3.50 GPA. Students may not challenge a previously failed course, computer application courses, or Mathematics for Business I and II. All Challenge Examinations must be completed prior to registration for the final fifteen credits required for the degree. Challenge Examinations are credits earned in Chestnut Hill College’s Accelerated Adult Degree Program and grades are calculated in the cumulative GPA; a grade of “C” or above must be achieved for credit to be awarded.

Other prior learning experiences are evaluated based on the recommendations and/or accreditations of the following national organizations or programs:

(ACT/PEP) American College Testing’s Proficiency Examination Program
(DANTES) Defense Activity for Non-Traditional Education Support – Training and education offered through the Armed Services is evaluated by the American Council of Education (ACE) (ACE/CREDIT) Program on Noncollegiate Sponsored Instruction

Permission to Take Courses at Another Institution
Students who wish to take courses at other colleges or universities must have the courses approved by The Dean of the School of Continuing and Professional Studies. Transfer credits will be awarded for only those courses in which a grade of C or better has been earned. All transferred courses are recorded with a grade of TR-Transfer. It is the student’s responsibility to ensure that a final, official copy of the transcript is received in the Associate Registrar’s Office. No credit will be given for any course unless the final, official transcript is received. Students are not permitted to take courses to replace a failed course.

Release of Grades
Collection and reporting of Accelerated Adult Degree Program course grades is the purview of the Associate Registrar’s Office. Grade reports are available to current students via the My CHC Portal – my.chc.edu. Former students and alumni wishing to view their grades must request an official transcript.
Repeat Course Policy
If a student fails a course and then repeats it with a passing grade, both the original failure and the repeated grade appear on the transcript, but only the higher grade is used in the calculation of the cumulative grade point average. If a student fails a course that she/he has failed before, only one failure is calculated on the transcript. Ordinarily, students may repeat a course only once, but in case a student twice fails a course required for graduation, the student may petition the Dean of the School of Continuing and Professional Studies for approval to take the course a third time.

Any course in which a “D” or “D+” was recorded may be repeated once with the permission of the Dean of the Accelerated Adult Degree Program. Both grades will be recorded on the transcripts but only the higher grade will be used in the calculation of the cumulative grade-point average. Any course in which a grade of “C-” or higher was recorded may not be repeated to raise the cumulative GPA.

Policy on Sex Discrimination, Sexual Harassment and Sexual Violence
Chestnut Hill College values appropriate relationships, respect for all and shared responsibility. Therefore, Chestnut Hill College is committed to fostering an educational and working environment that is free from sexual harassment and sexual violence. In recognition of and respect for the dignity of all at Chestnut Hill College, sexual misconduct in any form, cannot, and will not, be tolerated. Additionally, Discrimination or harassment on the basis of sex is a violation of Section 703 of Title VII of the 1964 Civil Rights Act and Title IX of the Educational Amendments of 1972. The College’s full policy on Sex Discrimination, Sexual Harassment, and Sexual Violence is regularly updated and reviewed, and can be found online at https://www.chc.edu/safety-and-security/title-ix.

Student Concerns
Chestnut Hill College has procedures for resolving student concerns. Issues about, for example, expectations outlined on a course syllabus, faculty performance, or final grades should be discussed directly with the faculty member. If the situation is not resolved, a written letter and/or email to the Dean of the Accelerated Adult Degree Program may be submitted, or a student may utilize the recommendations section of the Course Evaluation form distributed at the end of each course. A student appealing a grade should follow the Grade Appeal Policy. Concerns about institutional policies or procedures should be directed in writing to the Dean of the Accelerated Adult Degree Program.

Student/Institution Relationship
A student’s enrollment at Chestnut Hill College is a voluntary decision that involves acceptance of the responsibility to meet academic requirements, adhere to policies and procedures and to act in ways consistent with the mission of the College and civil law. Conduct that threatens or endangers the health or safety of any person on college premises, verbal or written harassment, intentional obstruction or disruption of teaching, administration or other college activities may result in disciplinary action up to and including dismissal from the program. Students remain responsible for all tuition and fees. In addition to the policies, professional standards, and expectations outlined in the SCPS Catalog, all students are expected to behave in ways consistent with the College mission and to abide by the Student Code of Conduct, as outlined in the Student Handbook.
Violations of the Student Code of Conduct may result in disciplinary proceedings. Findings of responsibility in a disciplinary proceeding may result in the imposition of sanctions. Please refer to the Student Handbook for additional information on these policies and procedures: https://www.chc.edu/student-handbook.

Student Participation in Assessment Research
Ongoing assessment of student learning is expected of all colleges and universities. Assessment projects search for evidence of the effectiveness of various instructional techniques and educational experiences by using such tools as surveys, interviews, focus groups, and/or samples of student work. Student participation in assessment surveys, interview, and/or focus groups is voluntary. All work submitted by a student in fulfillment of course and/or program requirements is considered available for assessment research purposes, unless the student specifically requests otherwise. Along with the work, written notice of this request must be submitted to the course instructor. Students will never be individually identifiable in any assessment report.

Transfer Policies and Procedures
Chestnut Hill College will accept 75 transfer credits provided the courses meet the criteria outlined below. Students must complete a minimum of 45 academic credits at Chestnut Hill College in order to earn a degree. With the exception of those students who enter through a partnership agreement, students who transfer to Chestnut Hill College's Accelerated Adult Degree Program must complete half of the major courses at Chestnut Hill College in order to be awarded the College’s degree. Students must also meet all applicable Core Liberal Arts, Major Requirements and Electives as outlined in this catalog, which may require them to complete more than 45 academic credits.

In order for a course to be accepted in transfer, it must meet the following criteria:

- the student earned a grade of C (2.0) or better; the course is applicable to a curriculum offered by the Accelerated Adult Degree Program;
- an official transcript has been provided and the course was completed within ten (10) years prior to Chestnut Hill College admission or readmission. These courses are evaluated on an individual basis;
- only the credit is transferred and grades for these courses are not calculated into the cumulative GPA.

Courses completed at non-regionally accredited institutions, and which have not been evaluated by ACE are subject to the following conditions:

- A sub-committee of the Articulation Committee, composed of the faculty members and a representative of the Registrar’s Office, will determine whether or not the course is on the required level for college credit.
- The appropriate department will then determine the equivalency and applicability of the course for its program, or its qualification as a free elective.
- If the course does not belong in any Chestnut Hill College department, the committee will make the final decision.
An additional review is required for any course taken more than ten (10) years prior to admission. Some departments may require review if courses were taken fewer than 10 years prior to CHC admission. The individual department will make all final decisions regarding the allocation of credits. Students may be required to provide course descriptions and/or syllabi.

The Accelerated Adult Degree Program will provide a written evaluation of all courses according to credit transfer guidelines. Transfer guides listing specific courses and their equivalencies are available for a number of community colleges and may be obtained by contacting the Accelerated Office. International students need to submit a complete set of academic credentials in English translation.

**Withdrawing**

**From a Course**

All course withdrawals must be done in writing. A fax or e-mail is acceptable only in the case of course withdrawals provided the faxed or e-mailed request contains all pertinent information, including student name, student ID number, course name, course number, and date of request. Students should consult the Academic Calendar for the last day to withdraw from courses without academic penalty. If a student withdraws before the last day to withdraw, she/he will be given a grade of “W.” Withdrawal after the designated withdrawal date results in Withdrawal Failure (“WF”). Any course withdrawal that is submitted on or after the first day of the session in question will be subject to partial tuition charges. The withdrawal refund policy is shown on the Tuition and Fees schedule and the Academic Calendar.

Withdrawal from a course(s) may affect a student’s current or future financial aid eligibility. Students should consult the Financial Aid Office to learn both short and long term consequences of a withdrawal.

Please note: Not attending class or notifying the instructor does not constitute an official withdrawal; such action will result in a failing grade (“F”) for the course in which the student was enrolled and full tuition charges.

**Administrative Withdrawal Based on Attendance**

The Dean’s Office in conjunction with the Registrar’s Office has the authority to withdraw a student who is not attending any of his or her courses.

Administrative withdrawals based on attendance occur under two circumstances:

- A student never attended any of his or her courses: The Registrar’s Office may initiate the Administrative Withdrawal when notified that a student never attended one or more of his or her courses during the first two weeks of the session. Any student reported by an instructor to the SCPS Office as not attending his/her first course will be investigated. The SCPS Office will contact the student about his or her registration status. If contact cannot be made in a week’s time of the non-attendance report, the student will be dropped from the course. The Registrar’s
Office will e-mail the student notifying him or her of this action. The students’ course/s will be retroactively dropped.

- A student stopped attending all of his or her courses: The Registrar’s Office may initiate the Administrative Withdrawal when they are notified by individual instructors that a student has not attended his or her course for two consecutive weeks. The SCPS Office will contact the student about his or her registration status. If contact cannot be made in a week’s time of the report, the student will be withdrawn from all courses. The Registrar’s Office will e-mail the student notifying him or her of this action.

Any student receiving financial aid who is thus withdrawn from the College will have his/her financial aid award for the respective semester cancelled or adjusted, based on the date the Registrar's Office initiated the Administrative Withdrawal. The student will be responsible for any applicable charges. The College refund policy applies to administrative withdrawals. Please note if a student’s official withdraw date is after the Withdrawal without Failure deadline, the student will receive WFs on his or her transcript.

Students who wish to appeal their administrative withdrawal may do so within the semester in which the withdrawal occurs. Appeals are made in writing to the Dean of the School of Continuing and Professional Studies before the end of the semester. Students must present appropriate documentation sufficient to establish grounds for the appeal. The Dean’s decision is final.

NOTE: If a student decides to discontinue one or more courses, after the first two weeks, but not all, he or she is responsible for following the normal withdrawal procedures through the Registrar’s Office. The Administrative Withdrawal process is only applicable to students who do not attend any of their courses.

Withdrawal on Probation

Students who are on academic probation may apply in writing to the Dean of the School of Continuing and Professional Studies for permission to withdraw voluntarily from the program. Permission will ordinarily be given if the student has resolved all financial indebtedness to Chestnut Hill College. If a student has withdrawn on probation and wishes to return to Chestnut Hill College’s Accelerated Adult Degree Program, she/he must apply in writing to the Dean of the School of Continuing and Professional Studies.

FINANCIAL INFORMATION

Office of Student Financial Services

Students may make payments on their account and receive information about their account in the Student Accounts Office, located on the first floor of St. Joseph Hall. The Student Accounts Office hours are as follows:

- Monday 9:00 a.m. to 6:00 p.m.
- Tuesday 9:00 a.m. to 6:00 p.m.
- Wednesday 9:00 a.m. to 6:00 p.m.
Thursday 9:00 a.m. to 5:00 p.m.
Friday 9:00 a.m. to 4:00 p.m. *
* Summer Hours 9:00 a.m. to 1:00 p.m.

Students may also contact the office by phone during business hours, Monday through Friday or by e-mail any time. Student Accounts 215-248-7116, fax 215-242-7705, or Accounts@chc.edu. Student Financial Aid 215-248-7182, fax 215-242-7705 or finaidl@chc.edu.

Payment of Bills
By act of registration, students accept responsibility to pay the charge for the entire session of enrollment, regardless of the method or source of payment. All students are asked to complete a Student Financial Responsibility Agreement. This agreement defines various payment options that may be used by students to settle their full balance in a timely manner. Payment for courses and related fees in the Accelerated Adult Degree Program is due by August 1 for the fall semester, by January 2 for the spring semester, and by May 1st for the summer semester. Chestnut Hill College accepts cash, money order, certified checks, Visa, MasterCard, Discover and AMEX as forms of payment. Certified checks, or Money orders may be mailed to the following address:

Chestnut Hill College
PO Box 12536
Newark, NJ 07101-3556
Please include the student ID number on all payments.

Chestnut Hill College offers an interest-free Monthly Payment Plan (MPP); there is a $85 enrollment fee for the MPP. Students may pay the semester balance in up to three payments. More information about the MPP is available in the Monthly Payment Plan section of this catalog. Failure to make a payment on schedule will result in the total balance becoming due immediately with a late payment fee and/or a service charge of 1.5% of the outstanding balance added per month.

Important: Students who do not pay or make suitable payment arrangements for their semester bill will be placed on Business Hold and will not be allowed to register for class until payment or satisfactory arrangements have been made at the Office of Student Financial Services. A late payment fee and/or a service charge will be charged for all past due accounts.

Tuition
The Tuition charge is uniform for all Accelerated Adult Degree Program students, regardless of the major being pursued. Tuition for 2019-2020 is $550.00 per credit.

Course Fees
Additional operating costs involved in offering certain courses require that a course fee
be charged. In general, course fees are charged on a per course basis and are charged as follows:

Art Studio courses $85-$130 per course.

**Parking Permit**

All students attending classes, workshops, seminars, and special sessions are required to purchase and display a valid parking permit while parking on the campus of Chestnut Hill College. All students parking on campus are required to purchase a parking permit regardless of the number of courses they may be taking per semester. Each parking permit runs from September 1 through August 31 of the following year. The purchase of a parking permit does not guarantee a parking space on campus, but it does permit students to park in authorized areas on a first-come, first-served basis.

**Permit Costs:** The fee for the 2019-2020 parking permit is $150.00 plus a $5.95 handling fee. Permits can be obtained online at chc.thepermitstore.com (Note: You will need your car registration.).

It is the student’s responsibility to be aware of and comply with all parking policies and procedures as reflected in the parking brochure. Students are responsible for any and all fines that result from parking in an unauthorized area, as defined by the parking brochure, or from not displaying or obtaining a parking permit. The College reserves the right to withhold registration materials, transcripts, diplomas, and all other information regarding the record of any student who is in arrears in the payment of tuition, fees, or any other amounts due the College. This includes unpaid parking fines.

**Other Charges**

- Returned (NSF) Check Charge…………………………………………………. $35.00 each time
- Late Payment Charge ………………………………………………………… 1.5% of balance per month (automatically charged to student account if session bill is not paid by the Payment Due Date)

Refund Policy

Students who officially withdrawn from all classes at the College (See Change of Registration) are eligible for refunds of tuition according to the schedule below. Fees and other charges are non-refundable after the first day of classes; permits are non-refundable. Students who withdraw from the College may also have to return a portion of the Federal Financial (Title IV) Aid they received. (See Return of Financial Aid Policy in the Financial Aid Section below). For purposes of calculating refunds, the calendar week begins as of the first scheduled class time of each session, regardless of the student's individual course start date. For more information on the Refund Policy, contact the Office of Student Accounts at 215.248.7116. Questions regarding Financial Aid, please call the Financial Aid Office at 215.248.7182.

Business Hold

Students with delinquent accounts are placed on business hold and are prevented from registering for future classes, receiving course grades, receiving copies of official or unofficial transcripts, or participating in commencement ceremonies until they have made satisfactory arrangements to satisfy their accounts. A student may be dismissed from the College for continued delinquency of financial obligations. Students on business hold should contact the Office of Student Accounts immediately to satisfy their remaining balance. A student may be placed on business hold at:

Beginning of Session – For failure to make payment in full or to make satisfactory arrangements to pay the semester's bill. Students in this category cannot attend classes until the Office of Student Accounts approves financial arrangements for the session.

During Session – For defaulted or late payment on terms arranged at the beginning of the session. Students in this category cannot register for the following session, receive grades or transcripts and may be prevented from taking tests, attending classes or graduating. Students should contact the Office of Student Accounts immediately if they have not met their financial obligations as agreed upon at the beginning of the session.

Students will be removed from business hold when their bills are fully paid or addressed in a satisfactory manner, as agreed upon and approved by the Office of Student Accounts. Written confirmation of removal from business hold must be provided to the Accelerated Office before an appointment can be scheduled with an advisor.

A Chestnut Hill College education is one of the best investments one can make for the future. In fact, a college degree puts a graduate on both the path to a more satisfying career and, as numerous studies have shown, a more lucrative pay scale. The College offers federal/state financial aid and other payment options to help our students reach their educational goals. The College prides itself on striving to be affordable for all academically qualified students who wish to attend. Student Financial Services offers individualized guidance so that each student understands all of the financial options.

Although the primary responsibility for meeting college costs rests with the student and their family, Student Financial Services can help design a financial strategy that will make a degree from Chestnut Hill College affordable. Student Financial Services will develop a personalized financial aid package that will offer assistance with educational expenses. With a combination of financial aid from federal and state we hope to help all eligible students take advantage of the College’s high quality academic experience.

The professional staff in the Student Financial Services is ready to assist with the financial aid process and is open to students during the following hours:

Definition of an Academic Year
The Financial Aid Office uses a standard academic year that spans two enrollment terms (semesters). These two terms total at least 30 weeks of instruction. A full-time student is expected to complete at least 24 credits during an academic year.

The standard academic year starts with the fall semester and finishes at the end of the spring semester. Summer sessions may be added to the end of the standard academic year. The 2019-2020 standard academic year begins on August 26, 2019 and ends May 2, 2020. The summer session begins May 4, 2020 and ends August 22, 2020.
Lending Code of Conduct
Chestnut Hill College is committed to providing students and their families with the best information and processing alternatives available regarding student borrowing. In support of this, and in an effort to rule out any perceived or actual conflict of interest between College officers, employees or agents and education loan lenders, Chestnut Hill College has adopted the following:

- Chestnut Hill College does not participate in any revenue-sharing arrangements with any lender.
- Chestnut Hill College does not permit any officer, employee or agent of the school who is employed in Student Financial Services or is otherwise involved in the administration of education loans to accept any gifts of greater than a nominal value from any lender, guarantor or servicer.
- Chestnut Hill College does not permit any officer, employee or agent of the school who is employed in Student Financial Services or is otherwise involved in the administration of education loans to accept any fee, payment or other financial benefit (including a stock purchase option) from a lender or affiliate of a lender as compensation for any type of consulting arrangement or contract to provide services to a lender or on behalf of a lender relating to education loans.
- Chestnut Hill College does not permit any officer, employee or agent of the school who is employed in Student Financial Services or is otherwise involved in the administration of education loans to accept anything of value from a lender, guarantor, or group of lenders and/or guarantors in exchange for service on an advisory board, commission or other group established by such a lender, guarantor group of lenders and/or guarantors.
- Chestnut Hill College does allow for the reasonable reimbursement of expenses associated with participation in such boards, commissions or groups by lenders, guarantors, or groups of lenders and/or guarantors.
- Chestnut Hill College does not assign a lender to any first-time borrower through financial aid packaging or any other means.
- Chestnut Hill College recognizes that a borrower has the right to choose any lender from which to borrow to finance his/her education. Chestnut Hill College will not refuse to certify or otherwise deny or delay certification of a loan based on the borrower’s selection of a lender and/or guarantor.
- Chestnut Hill College will not request or accept any offer of funds to be used for private education loans to students from any lender in exchange for providing the lender with a specified number or volume of Title IV loans, or a preferred lender arrangement for Title IV loans.
- Chestnut Hill College will not request or accept any assistance with call center or Student Financial Services staffing.

Financial Aid Status for Accelerate Adult Degree Students
Accelerated Adult Degree Program sessions are: Fall 1, Fall 2; Spring 1, Spring 2; Summer 1 and Summer 2. The traditional fall semester is the equivalent of Accelerated sessions Fall 1 and Fall 2. The traditional spring semester is the equivalent of Accelerated sessions Spring 1 and Spring 2. The traditional summer semester is the equivalent of Accelerated sessions Summer 1 and Summer 2.

In order to be considered a full-time student for federal financial aid purposes, a student must be enrolled in a minimum of 12 credits per semester (through a combination of sessions) Fall 1 and Fall 2; and/or Spring 1 and Spring 2; and/or Summer 1 and Summer 2).
In other words, to be considered for full-time federal financial aid, students must enroll in two classes each eight-week session during both fall sessions; and/or both spring sessions; and/or both summer sessions.

Enrolling in nine, ten or eleven credits per semester (both fall sessions; and/or both spring sessions; and/or both summer sessions) attains 3/4 time status. Enrolling in six, seven or eight credits per semester attains 1/2 time status for financial aid purposes. Generally, students must take a minimum of six credits per semester to be eligible for federal financial aid. Part-time federal financial aid is available for qualified students taking classes at 3/4 and 1/2 time status.

Please note that financial aid is based on the number of credits taken for each semester, as defined above. Failure to enroll for the number of credits, will result in a reduction in financial aid and could result in the required return of Title IV aid, as described below. Students should contact the Financial Aid Office with any questions regarding changing the number of credits enrolled per semester.

**Applying for Financial Aid**

Applying for financial aid is easy at Chestnut Hill College. All students complete the online Free Application for Federal Student Aid (FAFSA.) The FAFSA is available online on October 1st for the next academic year. A completed FAFSA is due each academic year by June 30th and is available by going to https://fafsa.ed.gov/. Be sure to include Chestnut Hill College's Federal School Code of 003245 on your application. Chestnut Hill College’s priority deadline for filing your FAFSA is March 15th. Filing after this day will delay packaging.

The FAFSA must be completed for each academic year that the student is enrolled.

<table>
<thead>
<tr>
<th>Academic year</th>
<th>FAFSA open date</th>
<th>Federal FAFSA deadline</th>
</tr>
</thead>
</table>

*The FAFSA must be received prior to the last day of the spring term for students requesting aid for the Fall/Spring 2019-2020 academic year.*

Students must review and accept their financial aid prior to the start of each academic year on the financial aid portal and submit any document needed in the documents section in order to finalize their financial aid. Student also may notify the financial aid office of their enrollment plans when accepting aid on the portal. Documents may include additional tax documents or identity documents needed to establish aid eligibility.

Any student that is interested in obtaining a Federal Direct Loan must also complete a Master Promissory Note (MPN) and Entrance Counseling (EC). The MPN is a multi-year promissory note that can be used for an entire collegiate career. The MPN is a legal document in which you promise to repay your loan(s) and any accrued interest and fees to the U.S. Department of Education. It also explains the terms and conditions of your loan(s). The entrance counseling process provides you with a full understanding of your rights and responsibilities when borrowing from the Federal Direct Loan program.
Financial Aid for Summer Sessions

Accelerated Adult Degree Program students may take courses year-round. A number of financial aid options are available to finance summer enrollment expenses.

1. Direct Loan Three-Disbursement Option - When a student’s financial aid package is created, direct loans will be packaged and disbursed in three installments. In the three-disbursement option, one-third of direct loans will be disbursed during each of the following semesters: fall, spring, summer. A student may elect to have their direct loans disbursed twice during the academic year, one-half of direct loans will be disbursed during each of the fall and spring semesters. When choosing this option, funds will not be available from direct loans during the summer sessions. Arrangements for summer tuition cost payment should be made through the Student Accounts Office. Choice of disbursement can be requested when completing your aid acceptance on your CHC portal.

2. PHEAA Summer State Grant – Students can apply for the PHEAA Summer State Grant online at pheaa.org. Eligibility requirements are also outlined on the website. One application is completed, PHEAA notifies students directly concerning Summer State grant eligibility. In order to qualify for a PHEAA Summer State grant, students must enroll in a minimum of six credits during the summer semester (6 credits either summer session).

3. Private Alternative Education Loans - Various alternative loan programs are available from private lenders to help students with educational expenses throughout the academic year. Most of these loans are credit based and may require a cosigner depending on credit history. If you require additional information regarding a private alternative loan, please contact Student Financial Services.

Verification

Verification is a random selection by the Department of Education by which some students/families are required to provide certain documentation to support data elements on the FAFSA, primarily income and family size. Primary documents collected are:

- Chestnut Hill College Verification Worksheets for dependent or independent students
- Can be downloaded at [http://www.chc.edu/undergraduate/financial_aid/](http://www.chc.edu/undergraduate/financial_aid/) under forms and applications
- 2017 IRS Tax Return Transcript or Signed 2017 1040 Tax Return
  - If requested, IRS tax returns are required for all students (if they filed), and for parents of dependent students.
  - Students, Parents, and/or Spouses can use the Data Retrieval Tool on the FAFSA to Link their FAFSA to the IRS. **If this is done, copies of tax returns will not be required.**
  - Return Transcripts can be ordered on-line at [www.IRS.gov](http://www.IRS.gov), or call 1-800-908-9946.
  - **CAUTION: Be sure to request a “2017 IRS Tax Return Transcript” and not an IRS Tax Account Transcript.**

Students selected for verification will be notified by Student Financial Services. Students will have 45 days from the time of notification to submit all appropriate documents to
Student Financial Services or risk losing all federal financial aid.

No funds will be credited until the verification process is completed. Should verification result in a change in financial aid, the student will be notified via a revised award letter.

**Adjustments to Financial Aid**

All financial aid awards are subject to change due to (but not limited to) change of the student’s enrollment, housing, educational cost, withdrawal or dismissal, or the inclusion of additional financial aid from any source. Students are obligated to notify Student Financial Services of any educational funding that is not listed on their award notice. The inclusion of such aid could cause a current financial aid award to be revised.

**Statute of Limitations**

Student Financial Services cannot guarantee the receipt of any financial aid from a FAFSA that is submitted within the last month of any semester or payment period.

**Title IV Financial Aid Refund Policy**

**Overview**

Federal financial aid (“Title IV funds”) is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. **When a student withdraws, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive.**

According to federal regulations, the Financial Aid Office must recalculate Federal Title IV financial aid eligibility for students who withdraw from all classes, drop out, are dismissed, or take a leave of absence prior to completing more than 60% of a quarter/semester. Federal Title IV financial aid and all other aid are viewed as 100% earned after that point in time. Recalculation is based on the percentage of earned aid using the following Federal formula: Financial Aid determines the length of the scheduled term dates as defined by the Academic Calendar beginning from the first day of classes and ending on the last day of scheduled final exams for that term. The percentage of the payment period is the number of calendar days completed up to the student’s withdrawal date. The number of calendar days completed is divided by the total calendar days in the payment period or term. Any break of five consecutive calendar days or more is not counted as part of the total days in the term. **Calendar days are inclusive of weekend days.** The calculated percentage is the percentage of earned aid.

Withdrawal date is defined as the actual date the student began the institution's withdrawal process, the student's last date of recorded attendance, or the midpoint of the quarter/semester for a student who leaves without notifying the institution. Chestnut Hill is required to perform a Return to Title IV Calculation (R2T4) within 30 days of a student’s official withdrawal date. The Federal Title IV programs covered under this policy include Federal TEACH Grant, Federal Pell Grant, SEOG, Federal Perkins Loans, Federal Direct Loans, and Federal PLUS Loan (Graduate Student or Parent).

Also, all Chestnut Hill institutional funds are subject to return based on the tuition refund percentage amount as published in the Academic Calendar. For example: if a student withdraws and owes 40% of the semester's tuition, 40% of the Chestnut Hill funding will
be retained to help pay the student’s remaining tuition bill. These funds are inclusive of
[but not limited to] merit scholarships, CHC scholarships/grants, endowed scholarships,
departmental scholarships, and athletic scholarships. Returns of institutional funds are
required for all withdraws **(voluntary or administrative)**.

The school returns "uneared" Title IV funds that have been paid to the school to cover
the student's institutional charges received from Title IV grant and/or loan programs. No
additional disbursements may be made to the student for the payment period.

**Return of Funds**

Federal Title IV financial aid is returned in the order mandated by the U.S. Department of
Education. No program can receive a refund if the student did not receive aid from that
program. Funds must be returned within 45 days after the date of withdrawal
determination. Return of funds required by the student for unearned aid is returned
(repaid) in accordance to the terms of the loan on the promissory note. The order is as
follows based on aid offered at Chestnut Hill College:

1. Unsubsidized Direct Stafford Loan
2. Subsidized Direct Stafford Loans
3. Perkins Loan
4. Direct PLUS (Graduate Student or Parent)
5. Pell Grant
6. FSEOG
7. TEACH

**Post-Withdrawal Disbursements**

If it is determined that a student is eligible for Federal Title IV financial aid funds that
have not been disbursed, grant funds that the student is eligible for will be disbursed first.
Federal aid that the student is eligible for will be credited to the student's account for
outstanding charges. If the student has no outstanding charges or if there is a balance due
the student after disbursement, Chestnut Hill College will notify the student of his/her
eligibility for the loans [if applicable] in writing. The student must respond within 14 days
of the date of the letter as to whether they want all, part, or none of the loan(s). If the
student fails to respond within 14 days, no post-withdraw disbursement of the loan will be
made.

**Determination of Withdraw Date**

The withdrawal date used in the return calculation of a student’s federal financial aid is the
actual date of the student’s formal withdraw from the College or the date that the student
initiates the withdraw process, whichever occurs first. If a student stops attending classes
without notifying the College, the withdrawal date will be the midpoint of the semester or
the last date of academic activity determined. Additional documentation supporting the
last date of academic activity may be provided by the student if they verify a later date of
attendance than determined by the College. If a student receives financial aid, but never
attends classes, the Financial Aid Office must return all disbursed funds to the respective
federal and institutional aid programs.
Students Who Receive All Failing Grades at the End of a Term (Semester)

Financial aid is awarded under the assumption that the student will attend Chestnut Hill College for the entire term for which financial assistance was disbursed. When the student has a combination of fail and withdraw grades for the term, Chestnut Hill College must consider the student as an unofficial withdraw until determined otherwise. When the student has failed to earn a passing grade in at least one class for the term, federal regulations require the school to determine whether the student established eligibility for funds disbursed by attending at least one class or participating in any College academic-related activity. If the school cannot verify that the student attended Chestnut Hill, all financial aid must be repaid to the federal, state and institutional programs. The student’s account will be charged and the student will be responsible for any balance due.

Chestnut Hill will automatically determine the unofficial withdraw date as mid-point date in the semester or the last date of academic activity that the College can confirm for the student (whichever is the latter), and perform a Return to Title IV (R2T4) Calculation. Any relevant federal, state, and institutional funds will be returned to the respective programs, and the student will be responsible for any balance due to Chestnut Hill.

If the student can prove to have participated in a Chestnut Hill College class or academic-related activity past the 60% date, the student will not be required to return any disbursed financial aid.

Students who are able to verify attendance beyond the College’s records will be required to submit supporting documentation to the Financial Aid Office. The student must submit supporting documentation within 30 days from the last date of the term. Recalculations for aid eligibility will not be performed for documentation received after that date.

Return of Title IV Funds — Modular Programs

Overview

These regulations aim to provide for more consistent and equitable treatment of students who withdraw from a program measured in credit hours, regardless of whether courses in the program span the entire term or consist of shorter modules or ‘sessions.’ Students in the following programs will be impacted:

- Students in the School of Continuing & Professional Studies program
- Graduate Students who are enrolled in coursework that fall under the Accelerated Schedule as defined in the Graduate Catalog

Regulatory Requirements:

A student is considered to have withdrawn from a semester in which the student began enrollment if the student withdraws from any scheduled courses or ‘sessions’ without completing:

- All of the days the student was scheduled to complete in the semester, in a credit-hour program.
- However, if a student provides written confirmation (Confirmation of Future Enrollment Form through Chestnut Hill College’s Financial Aid Office at the time of
withdrawing from a session stating that the student plans to attend another session later in the same semester, that student is not considered to have withdrawn.

- If a student does not resume attendance within the scheduled timeframe, the student is considered to have withdrawn as of the date on which attendance ceased.
- If a student does not provide written confirmation of plans to return to school later in the same term (semester), Chestnut Hill’s Financial Aid Office must consider that student to have withdrawn and will perform a Return to Title IV (R2T4) calculation to determine if any funds must be returned. However, if the student does return to school in the same semester — even if the student did not provide written confirmation of plans to do so — the student is not considered to have withdrawn and the school must reverse the R2T4 process and provide any additional funds the student is eligible to receive at the time of return.

**Chestnut Hill College Funds**

Chestnut Hill College funds, both merit awards and need-based grants, are retained at the same percentage rate that tuition is retained. For example: if a student withdraws and owes 40 percent of the semester’s tuition, 40% of his/her Chestnut Hill funding will be retained to help pay down the student’s remaining tuition bill.

**PHEAA State Grant**

The PHEAA State Grant is retained at the same percentage rate that tuition is retained, similar to Chestnut Hill funds.

**Satisfactory Academic Progress for Financial Aid**

**Statement of Purpose:** Undergraduate students are required to maintain satisfactory academic progress and to remain in academic good standing to retain eligibility for financial aid. Both full-time and part-time students are subject to the Satisfactory Academic Progress policy. *Students enrolled less than full-time must notify the Office of Financial Aid and may be subject to reductions in financial aid.*

Federal regulations require a College’s Standards of Academic Progress (SAP) to include the following 2 components for students to receive Federal, State, and Institutional Financial Aid:
1. **Quantitative Measure:**

   a. To remain in good academic standing and retain eligibility for financial aid, students must successfully complete at least **two-thirds of all hours attempted (or 67%)** including Pass/Fail, repeated courses, incompletes, and courses dropped after the last day to drop a course without penalty (as published in the academic calendar).

   b. For undergraduate programs of study, the maximum time frame for receipt of federal financial aid must be no longer than 150% of the published length of an educational program. At Chestnut Hill College, it typically takes 120 credits hours to receive a degree; therefore, students are allowed up to 180 attempted hours (including all transfer hours accepted toward completion of a student's program) to be considered for federal financial aid. **The maximum time limits include all hours attempted regardless of whether or not financial aid was received.**

   c. Courses which are being repeated are counted as attempted hours for financial aid purposes, but only **one** passing grade is counted towards the Career Earned Credits. Enrollment status for any semester (i.e. full-time, half-time) as it relates to Financial Aid eligibility may be impacted as a result of repeating courses. Please check with Financial Aid before repeating a course for which you have already received a passing grade and only wish to improve the grade.

   d. Please note that grades of **W** (Withdrawal), **WF** (Withdraw Failing), and **Grade+N** are not considered satisfactory completion of a course and therefore are **not earned** hours. They will, however, count as attempted hours. Courses with a grade of **P, I, PI, W, AU, or NR** and are **not** calculated in either the Term or Career GPAs, nor are any credits passed calculated in Earned Credits. The credits are, however, calculated in the Attempted Credits total. Courses with a grade of **Grade + #** are **not** calculated in either the Term or Career GPAs, however, credits are calculated in the Attempted Credits total and, if the course was completed successfully, the Earned Credits total. Courses with a grade of **TR** are not calculated in either the Term or Career GPAs but are counted in both Attempted and Earned Credits. Incompletes (I) are counted as attempted if the final grade has not yet posted, and earned hours once final grade has been assigned to the course in question.

The following chart demonstrates examples of a student's required ratio of attempted hours to earned hours to be considered as progressing toward degree completion within the maximum 150% limit. **It is imperative that students who receive Federal Direct Student Loans understand that there is a maximum aggregate amount they may borrow in their undergraduate career. Students who are enrolled for more than four years or eight semesters, and who receive federal loans during that time, are in jeopardy of meeting their aggregate loan limit for federal student loans.**

</tbody>
</table>
e. **Transfer Students:** Transfer students are evaluated based on the number of hours accepted by Chestnut Hill College. Once transfer credit has been evaluated by the College and the student has been awarded credit hours, then that student will fall under the same quantitative and qualitative requirements as previously mentioned based on that designated classification. Transfer grades are not factored into the student’s cumulative GPA for SAP proposes, but the overall hours attempted and hours earned (quantitative measures) do fall under the standards for SAP. The maximum time limits for eligibility for federal financial aid also apply to transfer students based on the number of credits accepted by Chestnut Hill College.

2. **Qualitative Measure:** Students must maintain the following minimum cumulative grade-point average (GPA) on all earned hours:

<table>
<thead>
<tr>

<tbody>
<tr>

***Certain academic awards and some endowed scholarships may require higher academic performance than this Satisfactory Academic Progress (SAP) policy.***

**SATISFACTORY ACADEMIC PROGRESS PROCEDURES**

Grades and progress will be evaluated at the end of every fall, spring, and summer semesters once final grades are posted for the term.

Note: If a student does not meet these standards, the financial aid administrator may approve financial aid to be given under a formal ‘warning’ for one semester. The student’s career G.P.A. would then be reviewed for the next academic progress evaluation period. Students will receive one formal warning notice of failing to meet Satisfactory Academic Progress, where they will have one full semester to improve his/her academic standing with Chestnut Hill College.

If the student has received one warning notification and at the end of the next term he/she is still not meeting Satisfactory Academic Progress, he/she is formally notified in writing regarding the loss of financial aid. Financial Aid at this point will be suspended. Students have an opportunity to appeal the suspension of aid. This policy outlines the process in the section below entitled ‘Formal Appeal Process’. Students also can reclaim eligibility by attending one academic term or summer school [at minimum] at Chestnut Hill College without financial aid and significantly improving their career grade point average or percentage of credits earned. When eligibility is restored, financial aid will be awarded provided funds are available, as they are not guaranteed. Students may not improve their cumulative grade point average by attending another college.

Students who formally withdraw from Chestnut Hill and are afterwards re-admitted will have their Satisfactory Academic Progress status continued at the same status from when they left the College.
**Formal Appeal Process:** A student must submit a signed statement of appeal for reinstatement of financial aid if he or she feels that special circumstances prevented him/her from meeting the minimum standards of Satisfactory Academic Progress. Acceptable appeal requests (in accordance with Federal Regulations) are allowable based on: illness or injury, death of a relative, or other special circumstances. Any supporting documents or statements should also be submitted that will provide the Appeals Committee with additional information pertinent to its review. The student must complete and submit the Chestnut Hill College Satisfactory Academic Progress Appeal Request (this form is provided with revocation letter) along with the signed statement from the student and supporting documentation to the Office of Financial Aid. An appeal must include an explanation as to why the student was unable to make Satisfactory Academic Progress and also provide an explanation of what has changed that will allow the student to make Satisfactory Academic Progress by the next evaluation. These documents are due to the Financial Aid Office within 3 weeks of being notified or at the very latest 5 days before the first day of classes of the upcoming semester or term. The Satisfactory Academic Progress Appeals Committee will review the request form, the signed statement, and any other submitted documentation to determine if the student can meet satisfactory academic progress standards by the end of the next term, get back on track to graduate, and thereby have his/her Financial Aid reinstated. All students will be notified in writing of the Appeals Committee’s decisions. If an appeal is approved, the student’s academic progress will be placed on “Probation” and reviewed again at the end of each term to ensure that satisfactory academic progress and the Academic Plan for Improvement is being met. Additional information on the Academic Plan for Improvement is provided below.

If a student regains financial aid eligibility and then, in a subsequent semester, falls below the Satisfactory Academic Progress measures, a second Financial Aid Warning status of one semester will be applied. The student will have one full semester to meet the Satisfactory Academic Progress measures detailed above. If the student succeeds in bringing his/her standing to the appropriate level, he/she will regain eligibility for Federal Financial Aid; however, if the student fails to meet the Satisfactory Academic Progress measures the end of the one-semester Warning Period, he/she will be placed on a second Financial Aid Probation and may no longer be eligible for Federal Financial Aid.

**Students may not appeal more than once for the same reason.**

If a student falls below Standard Academic Progress measures for a third time or more, the student may be denied Federal Financial Aid for any future enrollment period until Satisfactory Academic Progress has been made. A student may be placed on Financial Aid Warning status two separate, nonconsecutive times while completing a degree.

**Academic Plan for Improvement:** If more than one semester is needed to bring up his or her academic progress deficiencies, the Financial Aid Office is required to have an Academic Plan on file for the student. The student should contact the Office of Student Success to set up an appointment to develop the academic plan for meeting the minimum standards of academic progress. The academic plan is a strategy that presents the student’s goal to “get back on track” and meet the standards of Satisfactory Academic Progress (SAP) while completing degree requirements. The plan will have strict conditions that the student must follow in order to retain eligibility for financial aid. This Academic Plan for Improvement must be endorsed by the Office of Student Success.
It is imperative that any student not making Satisfactory Academic Progress understands that failure to submit a successful appeal for Financial Aid Probation or an Academic Plan for Improvement to the Appeals Committee will mean that no additional financial aid will be awarded to that student for future semesters of enrollment unless the student regains good academic status without financial aid. It is necessary that immediate action be taken upon a student’s receipt of the notification that he or she is not making Satisfactory Academic Progress.

**Students are not guaranteed replacement of any previously awarded financial aid package if an appeal is approved.**

***Students should be prepared to pay tuition, fees, and other educational expenses until s/he has been approved to receive financial aid. Students seeking to re-establish financial aid eligibility remain ineligible to receive financial aid/or deferment of payment until the appeal process is complete and a decision has been made by the Satisfactory Academic Progress Appeals Committee.***

If you have any questions regarding this policy or the appeal process, please contact the Office of Financial Aid.

**Standards of Academic Progress for the Pennsylvania Higher Education Assistance Authority (PHEAA) State Grant**

Pennsylvania Higher Education Assistance Authority (PHEAA) requires recipients of the PHEAA State Grant to complete a minimum of 24 credits for every two semesters of full-time grant assistance received or a minimum of 12 credits for every two semesters of half-time grant assistance received. No academic waivers will be granted for the PHEAA state grant program by Chestnut Hill College. A student may appeal directly to PHEAA concerning extenuating circumstances.

**Veterans’ Benefits/School Certifying Official (SCO)**

Marie Scheetz, Associate Registrar – Fournier Hall, Room 124
Telephone: 215.248.7064, Email:scheetzm@chc.edu.

The Pennsylvania State Approving Agency has determined that Chestnut Hill College meets all of the criteria for approval for Veterans Education under the provisions of Title 38, United States Code, Section 3675.

The Post-9/11 GI Bill reimburses your tuition & fees to your school and makes housing and other payments directly to you. Chestnut Hill will receive a percentage, as determined by your length of active duty service.

Through Chestnut Hill’s Yellow Ribbon Program, fully qualified veterans/dependents can attend tuition free each year. The Department of Veterans Affairs (VA) matches dollar-for-dollar the contribution a participating institution (i.e. CHC) makes toward your costs (tuition, mandatory fees). Therefore, qualified college students can attend Chestnut Hill College for little to no cost. You must have 100% eligibility to qualify for the Yellow Ribbon Program. To be considered, qualifying students must be accepted for enrollment to a degree program or be currently enrolled in that degree program at the College as verified in the submitted Certificate of Eligibility provided by the College’s SCO. In lieu of a Certificate of Eligibility, students can currently print the eBenefits, page as proof of
eligibility. In Vets.gov the user will be able to view and print a “Post-9/11 GI Bill Statement of Benefits.” This will contain the same information.

Questions about eligibility for the Post 9/11 GI Bill or the Yellow Ribbon Program should be addressed at either the local VA Regional Office or the Department of Veterans Affairs at www.gibill.va.gov.

STUDENT SERVICES AND FACILITIES

Academic Advising
Academic advisors with advanced degrees and experience in curriculum, education, and academic counseling are available to meet with students during the day or evening. They can help students choose majors, select courses, transfer credits, schedule classes and set goals. Students are encouraged to review their course schedules with academic advisors prior to course registration in order to support academic progress. To schedule an appointment with an academic advisor, contact the Accelerated Office at 215.248.7063. The Academic Advising Center is located in Clement Hall 111A formerly Fournier Hall, room 11A.

Academic Resources: The Math Center and the Writing Lab
The Math Center provides assistance with math courses and administers mathematics placement exams. For an appointment, call 215.248.7088.

The Writing Lab offers assistance with academic writing. For an appointment, call 215.248.7114. The Resource Centers are accessible during the fall, spring, and summer sessions. Hours are posted for each Center.

Academic Computer Services
St. Joseph Hall, Lower Level, Telephone: 215.248.7195 Email – helpdesk@chc.edu

IBM-compatible PCs are available for student use on a walk-in basis during posted daytime and evening hours. Students may take advantage of major state-of-the-art software for purposes such as word processing, statistical analysis, graphics, desktop publication, database manipulation, web browsing over the Internet and e-mail. Laser printers are available for high quality printed work.

The Academic Computer Center also manages four Teaching Labs, three for Microsoft Windows-based PCs, and one for Mac. The Teaching Labs are available for classroom instruction ranging from computer software application basics to sophisticated programming languages, and are not generally available for use by students on a walk-in basis. The Teaching Labs are also available for use by faculty for the integration of technology in education.

The Devlin Video Production Suite in Martino Hall is an extension of the Computer Center and houses state-of-the-art video editing systems and a well-equipped television studio.

The Academic Computer Center is open to Chestnut Hill College students only. Matriculated students may receive a personal account on the College network, giving them an Internet e-mail address and access to the Internet from on campus. All students
requesting personal accounts are required to agree to the College’s acceptable use policy and to the rules and policies regulating the use of College computer resources. The computer center hours which follow show the typical schedule during the fall and spring semesters:

**Computer Center Lab Hours**
- Monday through Thursday 9:00AM to 11:00PM
- Friday 9:00AM to 6:00PM
- Saturday 9:00AM to 5:00PM
- Sunday 1:00PM to 11:00PM

Hours are subject to change due to holidays and other scheduling considerations.

**Campus Bookstore**
For store hours and information, or to shop online for textbooks and course materials, visit the website at [www.chc.bncollege.com](http://www.chc.bncollege.com)

**Campus Safety and Security**
Lower Level of Fontbonne Hall, Telephone. 215.242.7777

Chestnut Hill College Security Officers are CPR and AED-certified and have undergone training in specialized course offerings for higher education. Security Officers do not carry firearms. Criminal investigations are conducted by the Philadelphia Police Department. Victims of campus crimes and other criminal activity are encouraged to, and are readily assisted in, reporting incidents to the local police.

Photo IDs are available through Campus Security at the Security Operations Center, Lower Level of Fontbonne Hall. Students must carry their ID cards at all times. ID cards are non-transferrable and, upon request, must be surrendered to authorized personnel, e.g., security officers in the performance of their duties. An ID card is required to take books out of the library, to use the computer center, to use the pool and fitness center, to participate in the meal plan, and obtain a parking permit. There is a fee to replace lost or damaged ID cards.

**Career Development Office**
Third Floor, St. Joseph Hall

Career Development is an on-campus resource available to all students. Programs enable students to obtain knowledge and skills needed to plan careers and develop an effective job search. Personal interviews, special seminars, and career planning workshops assist the student in assessing abilities, choosing an occupational field and selecting an entry position.

Resources include the following:
- Full-time, part-time and summer job listings
- GRE, GMAT, LSAT, MCAT applications
- Literature on various careers as well as graduate programs
- Participation in the Annual Chestnut Hill College Job Fair
FOCUS is a self-paced, online career and education planning tool for use by college students. It will enable the student to self-assess career-relevant personal qualities and explore career fields and major areas of study that are most compatible with the assessment results. Students who use FOCUS make better decisions about their goals and plans and learn how to self-manage their careers. Career planning with FOCUS leads to the following advantages for students: While in college: More goal focused and motivated - Higher academic achievement - Fewer transfers and switching of majors - Graduate on time; After Graduation: Better entry job with higher income - More satisfied, more productive in their career - Less career change, faster advancement.

Students with Blackboard accounts can access the Career Development virtual site on Blackboard. This site offers information about career planning, job/internship searching, resume writing, graduate school applications, and upcoming events.

**Counseling Center**

St. Joseph Hall, 3rd Floor. Room 56.  
Telephone: 215.242.7104.  Email: kennedys@chc.edu

The Counseling Center offers free, short- and long-term therapy to students in the Schools of Undergraduate, Graduate and Continuing and Professional Studies during the academic year. Counseling staff can also consult with students and members of their families. Workshops are offered to address students' interests and needs. Students may use the Counseling Center at all times they are enrolled at the College. The Counseling Center is completely confidential, except in cases of life-threatening emergency (the threat or attempt of suicide, and the threat of seriously injuring another person, for example). Concerned, trained clinicians work under the supervision of a licensed psychologist.

Students may seek counseling for a wide variety of reasons and should feel free to schedule a preliminary appointment to determine if therapy would be helpful for a particular issue. Students who have received treatment in the past are also welcome to return to the Counseling Center as needed.

Office hours are posted at the Counseling Center, as well as in central locations on campus. Appointments can be arranged by calling the office, or stopping by and scheduling an appointment in person.

**Enrollment/GPA Verification**

Chestnut Hill College is a member of the National Student Clearinghouse, a non-profit organization that updates federal loan agencies with full or part-time status information for all currently enrolled students. However, if a paper enrollment or GPA verification is needed, it may be obtained in the office. There is no fee for this service, but a signature is required for the release of the information and processing will take 7-10 days.
Food Services
The Dining Hall is located on the first floor of Fournier Hall. Meals may be purchased on a cash basis. A retail café, The Griffin’s Den, is located on the ground floor of Fournier Hall. The McCaffery Lounge features the Social Café, which is located on the first floor of Fournier Hall and offers upscale coffees, smoothies, cold beverages, salads and sandwiches. Hours and prices are posted or call 214.248.7015 for information. Vending machines are located on the lower level walkway between St. Joseph and Fournier Hall and the third floor of St. Joseph Hall. The Bookstore also sells an assortment of drinks and snacks.

Health Services

The College Health Office is an integral part of the College community providing care to students during illness, making recommendations for health maintenance and providing programs throughout the year on health related issues. Hours of operation are posted outside the Health Services Office. For emergency assistance dial 911.

Swimming/Fitness Center
Lower Level, Fournier Hall
Emergencies: 7777 (on campus) or 215.242.7777 (off campus)

Students, staff and faculty with an official Chestnut Hill College ID may use the pool and fitness center during the posted hours. Swimming is permitted only when a lifeguard is on duty.

International Student Office
Fournier Hall, Room 12, Telephone: 215.242.7989. Fax: 215.248.7082. Email: globaled@chc.edu

The Office of International Student Services coordinates the College’s international contacts and seeks to provide assistance to all international students and non-native speakers on campus (The School of Undergraduate Studies, the School of Continuing and Professional Studies, and the School of Graduate Studies). The Director advises students about academic procedures, expectations and requirements of Chestnut Hill College, and offers information about the U.S. educational system. Assistance is provided on U.S. Tax Laws, extension of stay and transfer of schools. Information about health care and medical insurance is also offered. International students must contact this office before admission and registration.

Library/Library Services
Logue Library, Main Campus on the Circle.
Telephone: 215.248.7050. Fax: 215.248.7056. Email: Librarians@chc.edu

The Logue Library houses 140,000 volumes on three floors of open stacks. In addition to the circulating materials, there are 550 periodicals and a reference collection in the Alumnae Reference Room on the main floor, as well as an extensive electronic research center. Among the electronic resources are ERIC, PsychINFO, Lexis-Nexis, JSTOR, Ebscohost Elite, and Project Muse. Students may access the catalog and electronic
resources via internet at www.chc.edu/library. Passwords for databases are available to registered students in the library.

Along with a rare books collection that features British literary works and early Catholic liturgical music, Logue Library houses an Irish Collection specializing in Irish history; and The Brimmer Collection, a Curriculum Library holding children’s literature and curriculum materials for grades K-12. The main collection is classified according to the Library of Congress Classification System, while the Curriculum Library uses the Dewey Decimal System.

To borrow books or reserve materials all students MUST have a current College ID with a library bar code sticker attached. Bar codes may be obtained at the circulation desk.

**Hours**

- Monday to Thursday - 8:00 am to 12:00 midnight
- Friday - 8:00 am to 9:00 pm
- Saturday - 9:00 am to 5:00 pm
- Sunday - 10:00 am to 12:00 midnight

Library hours during the summer sessions and breaks are subject to change. Operating hours are posted on the library door, the website www.chc.edu/library; at the paging desk, and announced on the library voice mail at 215.248.7050.

**Lost and Found**

Fournier Hall, 1st Floor Front Desk 215.248.7090

Students are personally responsible for the safekeeping of their valuables and belongings. Therefore, necessary precautions should be taken to guard against loss. All found articles are to be turned over to the Office of Security and Safety. For Lost and Found inquiries, check with the Information Desk located on the first floor of Fournier Hall. All articles will be kept for a period of 30 days. If not claimed, the articles will be disposed.

**Minors on Campus**

Childcare is not provided on campus. Children may not be left unattended in any college building or anywhere on campus, including the Logue Library, the Student Life Center, or other public lounge areas. Children are not permitted in classrooms, even when attended by parent or guardian.

**Posting Policy**

1. Individuals (including faculty and staff) and/or groups are responsible for hanging and removing posters and/or flyers. This means making sure all rules are adhered to.
2. Poster Specifications
   - a. Name of sponsoring groups must appear on poster
   - b. Specific date(s) must be clearly stated
   - c. No reference to alcohol may be made in any way
   - d. Poster must be in good taste as judged by CHAT or SGA
   - e. Tape should not be visible. It should be placed in rolls on the back of the poster.
3. Posters may not be attached to paneling or directly to painted walls.
4. Masking tape is the only kind of tape to be used to hang a poster. Cellophane/scotch tape and adhesive gum may never be used.
5. Posters may not appear more than two (2) weeks prior to an event and must be removed within 48 hours after the event.
6. All materials being posted must bear the Chestnut Hill Activities stamp of approval. Items to be posted must be taken to the Activities Office or Student Affairs Office to obtain approval.
7. No event should be publicized until the necessary scheduling, reservation and approval procedures have been completed as appropriate to the event.

Registrar
The Office of the Registrar prints official transcripts for students in any school, and diplomas for undergraduate and graduate alumni. Transcripts and diploma reprints or duplicates must be requested in writing and there is a fee associated with either request. The Office of the Registrar does not issue unofficial transcripts. A business, health services, library, or athletic hold will prevent the release of either document. These obligations must be satisfied before transcripts or a diploma will be issued.

To make a request, print the applicable request from www.chc.edu/registrar and either bring it to the office, email, or mail in with required payment as outlined on the request form. Transcripts usually take 7-10 days for processing; diplomas take 2-3 weeks.

Student Learning Services Center
St. Joseph Hall, 2nd Floor

The Student Learning Services Center offers techniques to maximize study time by learning effective and efficient college study strategies in addition to tutoring for subjects not covered by a dedicated Resource Center. Requests for tutoring may be made in the office or by emailing tutor@chc.edu Learning Services Center for more information.

CURRICULUM

Curriculum Overview
The Chestnut Hill College Accelerated Adult Degree Program design focuses on the adult learner and provides a holistic overview of components required in pursuit of a liberal arts degree. Chestnut Hill College’s Accelerated Adult Degree Program encourages shared responsibility within a flexible framework. The courses of study provide the student with a background in the fine arts and humanities, knowledge of science and a keen awareness of the social problems of our day, as well as intensive, in-depth study in a major field. The degrees offered respond to the needs of adult students seeking practitioner’s majors in areas of career interest.

All Accelerated Adult Degree Program curricula are reviewed and approved by the faculty of Chestnut Hill College. The academic work required in all courses is equivalent to Chestnut Hill College’s fifteen-week semester. The curriculum adheres to the Mission of the College and provides academic excellence in shorter eight-week sessions.
The completion of the degree requires 120 credits (40 courses). Depending on the major of study, the required number of credits vary in either the Core Liberal Arts, Major Requirement, Major Elective, or Free Elective courses.

Students who have successfully completed UEEN 104 Communications and Thought II at another institution will be requested to submit a statement of professional goals as a writing sample. The goal statement will be evaluated based on overall presentation, organization and mechanics of writing. Students who score less than 6 on the writing sample will be required to take an additional writing course.

The Core Liberal Arts courses are designed to encourage critical thinking and processes of intellectual activity. The courses answer the following questions:

- What information is important?
- How are data processed?
- What conclusions can be reached?
- What are the values and limitations of the discipline?

These courses develop an appreciation for human culture and intend to diversify the student’s educational experience. The cultural studies component exposes students to snapshots of foreign culture through literature and to the practitioner’s application of foreign language for the workplace.

Global Awareness Seminar (UEGS 201) – This course explores the economic, political, social, environmental, and cultural roots of global conflicts, the risk of catastrophic confrontations, and the potential of peaceful resolutions. Topics in this course vary depending on the expertise of the teaching faculty and the world situation.

Religious Studies courses evaluate human action and decisions and encourage moral choices and the associated responsibilities.

Major Requirement and Major Elective courses are designed to offer a systematic study of a subject area and provide an integrated grasp of its contents and methodologies.

Free Elective Courses are designed to strengthen courses in the major, provide opportunities for learning in academic areas of special interest, supplement academic areas where a student’s background is deficient, and provide additional required courses in preparation for graduate study.

ASSOCIATE OF ARTS in the Liberal Arts

The Associate of Arts (AA) in the Liberal Arts degree at Chestnut Hill College Accelerated Adult Degree Program develops a strong core program and provides an academic concentration, so that an Associate degree student, in addition to benefiting from a
planned liberal arts exposure, also has an opportunity to select a major. The major ensures focused preparation for varied careers and permits one to move smoothly into a baccalaureate program with no loss of credits. The AA is available with a concentration in one of nine different programs of study offered through the School of Continuing and Professional Studies Accelerated Adult Degree Program.

The AA in the Liberal Arts is incorporated within the Accelerated baccalaureate degree program. This affords students the advantage of Accelerated Adult Degree Program faculty, the challenge of intermediate level courses, the expertise of a supportive staff experienced with academic counseling and advising and the interaction not only with other associate students but with the baccalaureate student as well.

**Program Requirements**

The Associate of Arts degree is awarded to an Accelerated Adult Degree Program student who satisfactorily completes the requirements of the curriculum. To qualify for a degree, students earn a minimum of 60 credits (at least 30 of which are earned at Chestnut Hill College), have a cumulative grade-point average of 2.00, a grade of “C-” or above in all major courses, and comply with the standards of the College.

**Core Liberal Arts**

Core Liberal Arts include 9 courses (27 credits). The major curriculum is structured to prepare students for an entry-level position in a specialized field. The program provides a solid foundation for continued studies toward a baccalaureate degree.

**Biology (BI)**

UEBI 106 Ecology and Environmental Issues  3 credits
Specifically designed for the non-science major. Emphasizes the interdisciplinary nature of environmental issues. Basic scientific concepts of ecological theory are related to economic, political, and philosophical factors that influence environmental problems and their solutions.

UEBI 117 Essentials of Human Cancer  3 credits
An overview and perspective of both the scientific and clinical aspects of cancer. Emphasizes cellular and molecular/genetic models of cancer development in humans. Topics include: cancer epidemiology, basic concepts of malignant process, TNM classification, modern advances in tumor biology and molecular biology including the effects of a variety of agents (chemical, radiation, viruses, oncogenes) that cause human cancer. Examines major types of cancer as well as present methods of cancer prevention and treatment.

UEBI 118 Biotechnology  3 credits
An introduction to molecular biology and genetic engineering. Topics include structure and function of DNA, plasmid and viral vectors, cloning and expression of genes, human genome project, genetic diseases, gene therapy, DNA fingerprinting.

UEBI 119 Nutrition  3 credits
An overview of the science of nutrition and its relationship to health will be taught with an emphasis on the functions of nutrients in the human organism, nutrient needs at various stages of life, and the effect nutrient inadequacies and excesses on health. Other related issues such as contemporary controversies in diet plans, American trends in food consumption, the effects of famine physically, economically and socially; developing self-sustaining agricultural programs to feed people in underdeveloped countries; meal programs, and providing meals to low income families in the US will also be addressed.

UEBI 120 Developmental Biology  3 credits
Classical embryology and biochemical, molecular biology and evolution of animal development. Topics include fertilization, cleavage, gastrulation, cell differentiation, induction, positional information, organ and pattern formation.

UEBI 400 Special Topics  3 credits
Provides an opportunity to pursue in a structured setting a topic of current interest or specialized focus not available in other biology courses.
Business Communications (BC)

UEBC 101: Professional Practices Seminar 3 credits
This introductory course provides students with an opportunity to become knowledgeable about concepts and processes in higher education; develop educational goals; and integrate their professional, personal, and academic experiences into a comprehensive learning framework and a tool for applying knowledge gained in the classroom into the student’s work environment. The course draws on student motivation, critical reflection, oral and written communication, and analytical skills to help students become active and successful in the learning process.

UEBC 105 Introduction to Computer Applications 3 credits
The course provides an overview of business software and applications for non-technical majors and provides grounding in the technology, operating systems and programs specific to the PC platform. Particular attention is given to the component programs of Microsoft Office, including Word, Excel, and PowerPoint as well as e-mail and Internet usage.

UECJ 400 Special Topics 3 credits
Provides an opportunity to pursue in a structured setting a topic of current interest or specialized focus not available in other criminal justice courses.

UECJ 453 Senior Seminar 3 credits
In seminar format, students explore areas of current interest and research not included in other courses. The course is structured to include group discussions, independent study and research. Students present their research in an oral presentation and a written paper. Students register for this course upon approval of the academic advisor. Prerequisite: Senior status and completion of all course work required in the major

UECJ 460 Internship 3 credits
Field placement in law enforcement, adult or juvenile judicial or correctional agencies or community criminal justice groups related to the student's interest is supervised by a field supervisor employed by the agency, and a faculty liaison. Prerequisite: junior or senior status.
Certificate in Digital Forensics

UEDF 110 Digital Forensics Laboratory I 3 credits
In this course, students will conduct acquisitions of digital media, along with documentation necessary to validate the digital evidence in court. Students will learn about data storage media, including both physical and logical components of hard drives. Students will begin extracting and analyzing digital evidence to be used in court.

UEDF 210 Digital Forensics Laboratory II 3 credits
This class continues using the laboratory to recover evidence from forensic copies of evidence. Students will extract data from files and file system metadata. Students will learn how to locate and retrieve data from raw disks and unallocated disk space. Students will also decrypt encrypted files.

UEDF 221 Digital Forensics Legal Topics I 3 credits
This course will instruct students regarding cybercrime laws and statutes involving crimes with computers. It will cover the legal authority required to collect and access digital information. It will look at rules of criminal and civil procedures regarding the use of digital evidence in court, including expert reports and testimony.

UEDF 241 Digital Forensics Legal Topics II 3 credits
This course will take a look at specific legal cases involving digital evidence. Student will learn to conduct legal research and analyze cases for the use of digital evidence and expert witness reports and testimony. This course will cover special cases regarding Constitutional issues regarding the use of digital evidence, such as the 1st, 4th and 5th Amendments.

UEDF 305 Digital Forensics Laboratory: Network Artifacts 3 credits
This course will focus on the recovery and analysis of network related artifacts from digital media. The course teaches students about networks, TCP/IP, local area networks and the Internet. Students will be able to locate and investigate network information retrieved from target systems. In particular, students will conduct examinations and trace emails, investigate the origin of specific phishing scams, analyze browser history files, and determine network connectivity.

UEDF 391 Digital Forensics: Special Topic Capstone 3 credits
This course will include a timely and topical issue impacting digital forensics. Students will use all of the knowledge acquired in other courses in the program to collect, acquire, analyze and report findings on an examination of devices or media commonly involved in civil and criminal legal matters. Review of legal aspects specific to the topic, research, and technology issues related to digital forensics will be explored for the topic.

Economics (EC)

UEEC 109 Principles of Macroeconomics 3 credits
A study of the fundamental determinants of economic activity, measurement and determination of national output and income, employment, inflation, interest rates, money supply, and growth of output and income. Monetary, banking and fiscal institutions are considered in relation to their role in contemporary public policies designed to cope with
problems on a macroeconomic level. Prerequisite: Successful completion of a college-level math course.

**UEEC 110 Principles of Microeconomics** 3 credits
A study of the principles underlying the functioning of individual economic units such as consumers, households, firms, and industries. Focuses on the determination of the price of products and productive inputs in framework of a capitalist economy. Prerequisite: Successful completion of a college-level math course.

**Education (ED)**

**UEED 222 Foundations of Education** 3 credits
Students explore the historical, philosophical, and social foundations of education and their relationship to the present day. Additionally, the course provides a framework and tools to analyze, synthesize, and evaluate current issues, practices and procedures related to teachers and the factors that influence their teaching.

**UEED 226 Supervision Issues in Childcare** 3 credits
Focuses on the skills and sensitivities necessary in professional supervision, a critical aspect of leading an early childhood program. It will begin with a review of the vision and mission of the school developed in Leadership and Administration, the relevance of that vision for recruitment, mentoring, and assessment of teaching. Specific standards and procedures will be discussed for the hiring and releasing of staff as well as clinical supervision and formative evaluation methods. Corresponding appropriate professional development methods will be considered that are responsive to interests as well as needs of staff members, and which are responsive to the mission of the school and aligned with Pennsylvania requirements such as Professional Development Records (PDR’s), Pennsylvania Quality Assurance System (PQAS), and Keystone STARS. Challenges and benefits specific to early childhood settings regarding staffing, such as working with organizational priorities, recruitment and retention, and staff development will be included. Each student will develop a supervisory program model that corresponds to the direction and needs of his/her school.

**UEED 227 The Business of Child Care** 3 credits
Provides students with the theories and tools necessary in developing a business plan that is both practical and supportive of values and vision. Directors or aspiring directors will be required to examine the visions/mission statements of their schools and determine the necessary procedures for accomplishing these objectives. In order to accomplish this task, students will study specific aspects of business management as they relate to the childcare field. Because of the breadth of possible topics, a survey will be administered to students at the beginning of the course to determine areas needing the most emphasis.

**UEED 228 Leadership and Administration** 3 credits
Leading an early childhood program requires the abilities necessary to meet demands in at least three main areas of responsibility: management, community-building, and supervision. This foundational course, Part I of a two part series, will focus on management and community-building. Initial considerations will include developing a school vision that will guide all future efforts. Management will include understanding state regulations, adhering to institutional policies, developing budgets, creating schedules, and other tasks that promote a comfortable school climate. Community-building will
include building interrelationships among teachers, parents, and children, as well as a communication network with the institutional context and relating to the community at large. Each student will review his/her own current program in order to evaluate success and progress in each of the areas listed above as well as overall institutional health.

**UEED 344 Family, School and Community** 3 credits
Presents both theory and practice on ways to integrate parents and community into the educational program of their children. Emphasizes effective ways of communicating for all parties. Investigates relationships between community goals and those of its agencies and schools. Highlights resources and services available in the community.

**UEED 352 Child Advocacy and U.S. Policy** 3 credits
History of children’s rights in U.S. and current status of legislation and public policy affecting children and families. Policies in other countries will also be studied. Addresses confidentiality rights of children as well as other advocacy issues.

**UEED 360 Educational Research and Evaluation** 3 credits
This course provides students with the fundamental aspects and processes of research using a five-step model (Introduction; Literature Review; Methods; Results; Discussion section) to guide development and design of a research paper. Student in this course select a research topic in education particularly as it relates to academic, behavioral, emotional and social issues. Simultaneously, students review, discuss and incorporate into their papers the underpinnings of educational research such as assessment, evaluation, and qualitative methodologies for measurement. Included in this course are the basics of APA Style Standards for writing at the undergraduate level.

**Education (P4)**

**UEP4 201 Development/Early Years** 3 credits
Presents future teachers with the study of child development from conception to pre-adolescence. It is designed for the students to learn about all aspects of human development: physical, emotional, social, cultural and cognitive. The course aims to introduce a holistic view of human development as integrated into particular social and cultural context by presenting contemporary theories of child development, research methods in the study of development and in particular aspects of healthy human psychological development that are relevant in learning and education.

**UEP4 202 Educational Psychology/Early Years**
Presents comprehensive multidisciplinary array of theories, facts and practical knowledge in early child development through a variety of materials and media. The course goals, components, topics and assignments are designed to promote teachers’ awareness and sensitivity to the interdependence of individual development and local cultural environments and to give professional knowledge to help them create opportunities for healthy development of children from birth to 4th grade relative to their individual needs.

**UEP4 203 Foundations/Theory Early Childhood Education**
3 credits
This course provides a study of early childhood foundations, theory and curriculum for early childhood education. It explores a broad spectrum of theorists, curriculum, and developmentally appropriate practices in an evolving framework for teaching young children. Roles and practices of working with children and families, as well as insights into
common early childhood programs. This course provides building blocks for understanding effective practices in early childhood education. It is a framework for preparing teachers for enhancing young children’s learning.

UEP4 204 Methods/Techniques Early Childhood Education/Field Experience 3 credits
Explores a broad exploration of the roles and practices of working with children and families as well as insights into common early childhood programs. The course provides the building blocks for understanding effective practices in early childhood education with a framework for preparing teachers for enhancing young children’s learning. This course includes a 20-hour field experience. **Students are required to have all current PA clearances for the first day of class.**

UEP4 207 Early Literacy 3 credits
Presents an analysis of the content, methods, and materials using quality children’s literature as a guide, this course explores early literacy acquisition and instruction for preschool and kindergarten aged children. Strategies for verbal, written, and visual literacy will be examined through the lens of a balanced literacy approach. Current research, diversity of learners, and best practices in early literacy will serve as the foundation for this course.

UEP4 210 Teaching Reading with Trade Books 3 credits
Designed to address the following essential questions: How is print different from spoken language? What is reading for? How do children make meaning from print? What must be balanced in balanced literacy instruction? How do we organize classrooms for literacy development? When, why and how do we assess children’s reading skills? Specifically, student shall learn to assess students’ literacy instructional needs, and address those needs, using a variety of methods and texts.

UEP4 301 Health and Safety Methods 3 credits
Presents an analysis of the content, methods, and materials in the design and implementation of health and safety standards in early education programs. A short list of topics to be covered in this course are as follows: Child care health advocacy, quality in early care and education, preventive health care, cultural competence and health, preventing and managing infectious diseases in early learning and school age children, communication, problem solving and professional development.

UEP4 311 Writing Methods 3 credits
Presents an analysis of the content, methods, and materials in the design of an early literacy curricula. All program goals, program components, and field assignments in planning locally and culturally sensitive curricula and environments will promote opportunities for healthy development in young children relative to their individual needs in the content areas of math, science, social studies and early literacy. This course will present research, methods, and materials in the design and implementation of writing instruction and assessment for students in grades PreK-4. Research-based pedagogy appropriate to children in PreK-4 will be utilized.
**UEP4 314 Creative Arts Methods** 3 credits
Designed to increase knowledge of the research that supports teaching using integrated strategies, particularly those that promote teaching through the arts. The course will increase pre-service teachers’ ability to plan and implement lessons that integrate content area and arts area standards. It will increase their understanding of critical and creative thinking as primary ways to achieve real-world problem solving across the disciplines.

**UEP4 318 Family and Community Partners** 3 credits
Presents an analysis and practice of the need for a comprehensive approach to increasing engagement of parents and the community in the education and development of young children. The course will be in line with the Pennsylvania Department of Education PreK-4 guidelines and NAEYC standards. All program goals, program components, and field assignments in planning locally and culturally sensitive curricula and environments will promote opportunities for healthy development in young children relative to their individual needs.

**UEP4 320 PreK-4 Assessment** 3 credits
Designed to prepare teacher candidates with the knowledge and skills, practice, and the application of assessments to design effective planning and teaching for student learning and differentiated instruction, essential PreK-4 teaching skills. Teacher candidates will learn how to develop, administer, and interpret assessments and data with informal and formal measurements. They will learn how to use systematic observation and documentation to monitor student learning and to practice communicating the integrated assessment results in a mock parent/teacher conference. The teacher candidate will distinguish among the types of assessments and its purpose, develop evaluation reporting skills, and demonstrate the use of ethical practices.

**UEP4 498 Senior Seminar in Early Education** 3 credits
In seminar format, students explore areas of current interest and research not included in structured courses. The course is structured to include group discussions, independent study and research. Students present their research in an oral presentation and a written paper. Students register for this course upon approval of the academic advisor. **Prerequisite:** Senior status and completion of all coursework required in the major.

**UESP 312 Reading Interventions/Diverse Learners** 3 credits
Examines the process of identifying reading deficits and selecting interventions to address those deficits. Research based reading practices for all readers, but especially for struggling readers will be presented. Students will demonstrate mastery of the process of assessment, familiarity with various available instructional approaches for struggling readers and strategies for selecting and adapting instructional approaches in a case-study approach.

**UESP 340 Introduction to Special Education** 3 credits
Focuses on the foundation of special education and is designed to provide a comprehensive review of what has been called “Special Education”. As future teachers, students will come to understand the history of special education, including how children and adolescents are assessed, labeled, and provided services under the existing and past federal and state laws; what constitutes general patterns of learning and behavior of children needing special services; intervention strategies, both within the regular education
setting and separate from the regular classroom; how past and present laws and litigation influences services for children needing special education; how community, state and federal programs interact to support schools and families of children needing special services; how cognitive, physical, social, and behavioral skill development shapes children and delineate how individuals acquire and process information.

UESP 390 ESL Foundations and Methods 3 credits
The primary goal of this course is to prepare students to teach English Language Learners (ELLs) in a mainstream classroom setting. The course will examine the English language learner through children’s literature and authentic student voices. Participants will also be provided a wealth of research-based teaching strategies that will promote oral language, reading, and writing development in English for this student group. In addition, there will be an emphasis on content area instruction and ways to differentiate lessons to make the content comprehensible to ensure student success. Class meetings have been carefully developed to take theory into action through a series of hands-on and meaningful activities presented by the instructor. Ownership of the content will then be demonstrated by students through authentic products.

**English (EN)**

UEEN 103 Communications and Thought I 3 credits
An intensive development of the communications skills required for college learning: thinking, reading, speaking, listening, researching and most especially, academic writing and the essay form. This course is a Prerequisite for all other English courses. A grade of C- or better is required.

UEEN 104 Communications and Thought II 3 credits
A continuation of UEEN 103. Emphasis is on writing the academic essay, critical interpretation of scholarly writing and information literacy, including citation strategies and issues of intellectual property and plagiarism. **Prerequisite:** UEEN 103.

UEEN 110 An Introduction to Poetry 3 credits
An introduction to the reading and interpretation of poetry and to writing about imaginative literature, with an emphasis on British and American authors.

Applies the scientific method, (i.e., problem definition, hypothesis formation, data collection and analysis), to marketing decision making. Students conduct a market research study and present their own findings. Prerequisites: UEMK 201, UEMA 111.

UEMK 450 Marketing Strategy, Planning and Organization 3 credits
An advanced marketing management course emphasizing ethical goal setting, planning and evaluation of marketing objectives, policies, strategies, and tactics in an increasingly global environment. Cases are used as vehicles for decision making involving marketing mix variables and may be supplemented with a marketing simulation. Prerequisite: UEMK 201.

UEMG 453 Senior Seminar 3 credits
In seminar format, students explore areas of current interest and research not included in other courses. The course is structured to include group discussions, independent study and research. Students present their research in an oral presentation and a written paper. Students register for this course upon approval of the academic advisor. Prerequisite: Senior status and completion of all course work required in the major.

UEMK 460 Internship 3 credits
Fieldwork with approved business firms where meaningful assignments are performed with appropriate training, instruction and supervision. Prerequisite: junior or senior status.

Mathematics (MA)

UEMA 100 Developmental Math 3 credits
A fundamental course in basic mathematical skills, designed for students who are, for any reason, inadequately prepared for college level mathematics. UEMA 100 includes a study of the real number system and basic concepts of algebra. UEMA 100 may be required as a result of the Mathematics Proficiency Exam. Credits from this course are not applicable toward a degree.

UEMA 101 Precalculus I 3 credits
Review and development of topics needed for the further study of mathematics, including calculus and mathematics for management. Includes: algebraic operations, equations and inequalities, algebraic functions, analytic geometry and graphing. Students who earn a grade of “C-” or better in UEMA 101 fulfill the mathematics requirement for graduation. UEMA 100 or Math Proficiency Level
UEMA 103 Survey of Mathematics 3 credits
A study of mathematics using an analytical approach incorporating topics such as sets and logic, elementary number theory, basic algebra, geometry, and trigonometry. Includes problem solving and applications. An emphasis will be placed on developing an appreciation of the way mathematicians think and work, how mathematics contributes to understanding the world, and the role of technology in the study of mathematics.
Prerequisite: UEMA 100 or Math Proficiency Level.

UEMA 104 Mathematics for Business I 3 credits
Algebraic functions and their graphs, mathematical modeling, systems of linear equations and inequalities, matrices, linear programming, mathematics of finance. Applications to business, management and the life sciences. Credit by examination is not available.
Prerequisite: UEMA 101 or Math Proficiency Level

UEMA 105 Mathematics for Business II 3 credits
Basic concepts and techniques of differential and integral calculus with applications to business, management and the life sciences. Credit by examination is not available.
Prerequisite: UEMA 104.

UEMA 111 Probability and Statistics 3 credits
Quantitative methods for decision-making. Topics include: descriptive statistics, elementary probability theory, discrete and continuous probability distributions, random sampling, correlation and regression, confidence intervals and tests of hypothesis.
Prerequisite: UEMA 104.

UEMA 153 – 154 Basic Mathematical Theory and Applications I and II 3 credits each
A development of basic mathematical concepts and skills needed by students in education and related fields. Emphasis on mathematical reasoning, problem solving, and connecting mathematics, its ideas, and its applications. Topics include: real number system; sets and logic; patterns, relations and functions; elementary number theory; geometry; measurement; probability and statistics. Prerequisite for UEMA 153: UEMA 101 or Math Placement Exam recommendation of UEMA 153. Prerequisite for UEMA 154: UEMA 153.

Music (MU)

UEMU 101 Music in Western Culture 3 credits
A chronological survey of the development of music, its styles and characteristics from the Middle Ages to the contemporary period. No musical background required.

UEMU 124 Music in Twentieth Century America 3 credits
A panoramic survey of the streams of American music in the twentieth century. Encompasses ethnic, folk, religious, and popular music; jazz and its forerunners and a brief history of Rock and Roll. No musical background necessary.

UEMU 221 Music in the Medieval, Renaissance and Baroque Periods 3 credits
A chronological in-depth study of the styles, features and aspects of Medieval, Renaissance and Baroque music.
UEMU 222 Music in the Classical and Romantic Periods 3 credits
A chronological in-depth study of the styles, features and aspects of Classical, Romantic, Twentieth-and Twenty First-Century music.

UEMU 400 Special Topics 3 credits
Provides an opportunity to pursue, in a structured setting, a topic of current interest or specialized focus not available in other music courses.

<table>
<thead>
<tr>
<th>Philosophy (PL)</th>
</tr>
</thead>
</table>

Each of the philosophy courses listed below may be taken as an introduction to the discipline of philosophy. There are no Prerequisites. Each course introduces the student to the nature and methodology of philosophy in addition to exploring a specific philosophical topic.

UEPL 109 Philosophical Thinking 3 credits
Introduces the student to the study of reasoning, emphasizing the structure of arguments. It is a basic introductory course that explores philosophy as a human activity. It focuses upon the processes used by philosophers as they examine questions such as: What is reason? What is real? What ought we do? Is there a God? Students not only experience major philosophers at work on human issues, but also participate in the activity by developing their own skills for creative thinking, rational agreement and responsible judgment. The course is designed to help students develop analytical skills for understanding how arguments work, how they are structured, and how they are to be evaluated. This course will also help students develop composition skills for constructing arguments and defending claims which will help develop and enhance their ability to express themselves articulate and persuasively. These skills are crucial for both making a civilized impact on the world and for serious and honest internal reflection.

UEPL 110 Ethics 3 credits
A consideration of the ethical dimension of human action, with a focus on the value systems which function as ultimate determinants of what a person does and, therefore, of what a person will become. Analysis of the rational psychological nature of values, their place in ethical systems, and their role in the human decision-making process.

UEPL 125 Logic and Argument 3 credits
An examination of systems of logic, fallacies, strategies of logical persuasion and propaganda and theories of meaning and truth. The goal of the course is twofold: that students gain an appreciation of the manifold character of “everyday” reasoning, and that they develop sensitivity to the possibilities and pitfalls of persuasive discourse.

UEPL 130 Ethics and the Environment 3 credits
A study of major Western ethical theories and their application to perennial and contemporary ethical issues, with special focus on environmental concerns in both discussion and writing assignments. Emphasis on critical analysis, the relation between ethics and culture, the significance of virtue-based ethical analysis and the connections between environmental ethics and other ethical issues.

UEPL 135 Business Ethics 3 credits
Considers how and why certain business practices are good and others bad. Of particular concern are areas where the profit motive seems to conflict with moral standards. The
various ethical issues facing business today, such as the effects of advertising and workers’
rights, form the final part of the course.

**UEPL 140 Introduction to Non-Western Philosophy** 3 credits
An introduction to some of the main traditions of India and Asia through a reading of a
central primary text in each. Focus is on the Hindu, Buddhist, and Taoist traditions as an
attempt to appreciate the range and thematic unity of these perspectives.

**UEPL 322**
**Ethical Issues in Human Services** 3 credits
This course provides an in-depth analysis of real life situations that involve personal
beliefs, values, ethics, and moral dilemmas that challenge human service professionals in
their interactions with clients, students, co-workers, supervisors and other service
providers. The course relies on the National Organization of Human Services (NOHS)
Code of Ethics as the foundation for critical thinking and decision-making activities.

**Physics (PH)**

**UEPH 104 Astronomy** 3 credits
An introduction to the sky, the solar system, stellar evolution, deep space objects and
cosmology as well as the tools used by astronomers to study the universe. Laboratory
activities as well as the use of a 14” Celestron telescope and a planetarium instrument
enhance the course material.

**UEPH 108 Physics for Life** 3 credits
A course which introduces the non-science major to the basic physical principles of the
natural world. Topics include motion, energy, heat, wave motion and sound, electricity and
magnetism and light. Prerequisite: minimum high school algebra.

**Political Science (PO)**

**UEPO 103 American Federal Government** 3 credits
An analysis of the basic principles of the Federal Constitution, political parties, the
electoral process and the political character and behavioral pattern of the American voter.
The structure and processes of the Congress, the presidency and judiciary are examined.

**UEPO 104 International Studies** 3 credits
An analysis of the relationship among politics, economics, and culture in selected nations
from different regions of the world. Emphasis is placed on an examination of how
different nations approach such issues as economic development, political organization,
the distribution of wealth, environment, health care, and child welfare.

**UEPO 201 Classical Political Thought: Constitutionalism and Human Rights** 3
credits
An analysis of the development of Western constitutionalism and its protection of human
rights, from the Greek philosophers, the Roman lawyers, and medieval theologians to the
British and American constitution. Artistic and literacy aspects of Western civilization are
considered in this analysis.
UEPO 202 Modern Political Thought: Totalitarianism and Human Rights 3 credits
An analysis of the development of the totalitarian idea from the Renaissance through the
Enlightenment to its actualization in contemporary regimes which systematically abuse
human rights. A broad cultural overview of these periods is provided.

UEPO/CJ 203 Civil Liberties 3 credits
Examines the evolution of civil liberties in America from the adoption of the U.S. Bill of
Rights through some of the most recent Supreme Court decisions. Emphasis will be
focused on human rights issues in a historical context.

UEPO 330 Constitutional Law and Public Policy 3 credits
An examination of the impact of constitutional law on the formation of American public
policy. The debate on the proper policy role of the judiciary is examined. Leading Supreme
Court decisions in the areas of intergovernmental relations, commerce, and civil rights and
liberties are analyzed.

UEPO/MG 350 Government and Business 3 credits
An in-depth examination of the complex and expanding role of government activity in the
private business sector. The history of intergovernmental aid programs, the growth of
public/private economics partnerships and the pros and cons of government regulation
and tax structures will be explored in detail, giving students background necessary for
understanding current government policies.

Psychology (PS)

UEPS 109 Introduction to Psychology 3 credits
An overview of psychology that emphasizes how psychologists function as scientists.
Topics include research methods, psychobiology, motivation, perception, consciousness,
learning, cognition, development, personality, psychology and health, psychological
disorders, psychotherapy, and social relationships.

UEPS/ED 202 Educational Psychology 3 credits
Presents comprehensive multidisciplinary array of theories, facts and practical knowledge
in early child development through a variety of materials and media. The course goals,
components, topics and assignments are designed to promote teachers’ awareness and
sensitivity to the interdependence of individual development and local cultural
environments and to give professional knowledge to help them create opportunities for
healthy development of children from birth to 4th grade relative to their individual needs.
Prerequisite: UEPS 109.

UEPS 203/UEP4 201 Psychology of Child Development 3 credits
Focuses on the study of child development from conception to pre-adolescence. It is
designed for the students to learn about all aspects of human development: physical,
emotional, social, cultural and cognitive. The course aims to introduce a holistic view of
human development as integrated into particular social and cultural context by presenting
contemporary theories of child development, research methods in the study of
development and in particular aspects of healthy human psychological development that
are relevant in learning and education.
Prerequisite: UEPS 109.
UEPS 204 Psychology of Adolescent Development  3 credits  
Examines the cognitive, emotional, physiological, sexual, and social developments that occur during adolescence. Emphasizes the psychosocial and environmental factors that increase adolescent risk of abuse, addiction, alienation, delinquency, mental illness, and violence.  
**Prerequisite: UEPS 109.**

UEPS 217 Abnormal Psychology  3 credits  
Focuses on the study of abnormal behavior, classification of psychological disorders as well as possible causes, treatment options, prevention and prognosis. Examines the major theoretical perspectives in abnormal behavior.  
**Prerequisite: UEPS 109.**

UEPS 240 Human Development  3 credits  
An overview of human development from conception to death. Special attention is given to the effects of psychological and social factors on development.  
**Prerequisite: UEPS 109.**

UEPS 245 Health Psychology: The Mind/Body Connection  3 credits  
What is the relationship between the mind and the body? Can psychological stress result in a physical disease? Explores the relationship between psychobiological factors and health through a didactic method as well as experiential group exercises. A holistic approach to wellness is presented, including such topics as nutrition, exercise, environment and lifestyle. Various stress-related disorders are studied in light of current research on personality, lifestyle and coping style.  

UEPS 250 Social Psychology  3 credits  
The study of how an individual’s thoughts, feelings, and behaviors are affected by social influences. Topics include: persuasion; conformity; obedience; liking, loving, and interpersonal attraction; self-concept; social cognition; prosocial behavior; and prejudice.  
**Prerequisite: UEPS 109.**

UEPS 267 Drugs and Behavior  3 credits  
Covers theories and experimental evidence regarding the mechanisms of action and effects of drugs on the brain and behavior. In addition, it covers the impact of drugs on society and the implications of drug usage on clinical practice. Students engage in debates about topics relevant to drug usage and legalization.

UEPS 280 Psychology of Aging  3 credits  
Traces human development from early adolescence, through adulthood to death. It focuses on the cognitive, physical, social/emotional development and changes that humans undergo throughout the mature lifespan.  
**Prerequisite: UEPS 109.**

UEPS 308 Theory and Practice of Counseling  3 credits  
Presents an introduction to and overview of the practice and profession of counseling. It will emphasize the counseling process, professional preparation, ethical and legal issues, assessment and diagnosis, counseling from a multicultural perspective, research and evaluation, major theorists, as well as counseling with families, children and adolescents and groups. Approaches with families, married couples, and those working directly with the mentally ill are explored.  
**Prerequisite: UEPS 109.**

UEPS 400 Special Topics  3 credits  
Provides an opportunity to pursue in a structured setting a topic of current interest or specialized focus not available in other psychology courses.
Religious Studies (RS)

**UERS 104 Religion and Culture** 3 credits
This course is designed to invite students to reflect upon and examine the dynamic relationship between religious experience and culture. Emphasis is placed on the historical, theological, and sociological dimensions of the many cultures and religions of North America. Faith stories from people representing a multicultural cross-section of the major world religions are studied emphatically and critically.

**UERS 106 World Religions** 3 credits
Examines humanity’s evolving relationship with the supernatural. Studies primitive, archaic, and historic periods in the development of religion as background to modern religious systems and traditions. Explores several of the world’s religions, including their belief statements; sacred writings; moral codes; relationship to other religions.

**UERS 107 Contemporary Christian Living** 3 credits
Probes the possibilities of “meeting Jesus again for the first time” by examining his life as compassionate prophet and wisdom teacher from an historical-critical perspective. The course will raise new questions not only about the meaning of Christ but also about our own lives in light of contemporary issues and concerns.

**UERS 108 Roman Catholicism** 3 credits
An overview of both the contemporary Catholic milieu and the factors which have contributed to the current state of the Church. Covers the major components of Catholicism: revelation, theology of God, Christology, Ecclesiology, Sacramentology, and Morality. Topics are investigated from the position of traditional belief and of modern scholarship.

**UERS 200 Introduction to the Bible** 3 credits
Examines the formation of selected sections of the Bible in light of modern biblical scholarship. Major themes includes: creation; covenant; the prophetic movement; Wisdom literature; the person and message of Jesus; the Synoptics and Fourth Gospel; Pauline theology; and apocalyptic literature.

**UERS 209 Old Testament Studies** 3 credits
Explores the Old Testament in the light of modern biblical scholarship. Areas of concentration include creation material; covenant and roots of Israelite worship; the prophets; Wisdom literature; and apocalyptic literature.

**UERS 216 Fundamental Moral Theology** 3 credits
Examines the moral decision-making process in light of biblical and Christian principles. Areas of study include the human act, conscience, moral development, and various ethical systems. Uses selected contemporary issues for discussion.

**UERS 218 Biomedical Moral Issues** 3 credits
Examines questions related to human life and death, including artificial insemination, genetic manipulation, surrogate, abortion, euthanasia, and removal of life support.
UERS 222 Marriage and the Family 3 credits
Examines the nature and evolution of the marriage covenant through scripture and history. Explores issues such as human development, interpersonal relationships, communication, and lifestyle choices. Discusses contemporary challenges to marriage, such as career choices, finances, child care, and gender roles.

UERS 226 The Meaning of Death and Dying 3 credits
Examines approaches to caring for the sick and dying. Explores the physical, psychological, sociological and theological aspects of the dying process. Discusses the role of religious ideals and values in enabling people to deal with dying and death. Considers rituals of death and the grieving process.

UERS 230 Film and Faith 3 credits
Religion and film are compelling and pervasive facets of American culture. Students will explore this relationship through the lens of various Scriptural and doctrinal themes within religious studies. Invites students to recognize, interpret and integrate film imagery and meaning with areas of personal, interpersonal, societal, and spiritual growth rendered possible when both film and faith are used as windows for illumination and metaphors for deeper significance.

UERS 234 Sacraments and Spirituality 3 credits
Explores the relationship between the sacramental/liturgical life of the Church and Christian spirituality. Attention is given to the reciprocal relationship between intimacy with God (prayer) and intimate life events (sacraments), as sacred moments when we encounter God with particular intimacy: birth, adolescence, conversion and reconciliation, friendship and marriage, common and ministerial priesthood, sickness and death, and Eucharistic-centered living.

UERS 235 Christian Spirituality: A Life Journey 3 credits
Through critical reflection, the student is drawn into an examination of gospel values, examines central themes of spirituality, such as images of God; church; the self-in relationship; it underscores the need for stories and symbols; for solitude and community; for contemplation and action in the context of the faith maturation process.

UERS 241 Women in the Christian Tradition 3 credits

UERS 244 Global Theology and The Cry for Justice 3 credits
Explores core aspects of the Christian theological tradition in light of emerging global concerns. By means of case studies, the voices of the marginalized peoples of the world are highlighted for the ethical challenges in their urgent cries for justice, peacemaking, and reconciliation. Provides opportunities to reflect on the radical nature of the call to Christian discipleship.

UERS 400 Special Topics 3 credits
Provides an opportunity to pursue, in a structured setting, a topic of current interest or specialized focus not available in other religious study courses.
UESO 101 Introduction to Sociology 3 credits
An invitation to the study of sociology. An analysis of the nature of human society and groups, cultural factors and social institutions. Areas covered include: stratification, socialization, family, gender, deviance, work and social change.

UESO 106 Aging and Adaptation for Wellness 3 credits
Living longer increases the probability that we will have to respond to change. This course investigates adaptations that will enhance the overall quality of life of the aged. Topics include myths about aging and the effects of biological aging on psychological and sociological aspects of aging. Healthy lifestyle choices including fitness, nutrition, stress management, and drug and alcohol use will be explored.

UESO 114 Social Gerontology 3 credits
An introduction to the physical, cognitive and psychosocial aspects of aging. Students will be introduced to aging issues by examining the demographic characteristics of this group. The course will focus on how these characteristics impact attitudes about older persons and aging, the provision of services to older adults as well as the development of aging policy issues.

UESO 128 Diversity Issues 3 credits
Examines the diversity issues in American society including race, ethnicity, gender, age, religion, and ability. Lifestyles, adaptations, and problems of identity are studied. Assimilation, prejudice, discrimination, and differential success of varying groups are among the topics to be studied.

UESO 203 Social Problems 3 credits
Examines and explores the various social problems in American society and how they affect and are affected by societal attitudes. Theoretical perspectives will be applied to such problems as poverty, substance abuse, violence, sexism, racism, ageism, environmental problems and terrorism. Service learning may be incorporated.

UESO 250 Human Behavior in the Social Environment 3 credits
An introduction to the social systems model and theory and the study of human interaction in families, small groups, organizations, and other social institutions. Special emphasis is given to ways the model can be used to explain and predict human behavior in the social context.

UESO 256 Public Policy 3 credits
Analyzes public welfare policy in the United States and the role played by public welfare agencies in the delivery of services. Special attention is given to welfare policy as it relates to the problems that confront urban America.

UESO 270 Introduction to the American Healthcare System 3 credits
Covers the background and development of the healthcare system in this country in relation to economic, political and social factors. The philosophical view of health and wellness, the changing roles of health professionals, health planning, and the voice of the consumer are examined.
UESO 312 Elder Law Issues 3 credits
An examination of the legal issues concerning aging members of society. Some topics to be considered are age discrimination, pensions and retirements, health care benefits, the right to die, living wills, guardianship issues and elder abuse. Actual cases will be studied.

UESO/CJ 350 Research Methods 3 credits
An introduction to basic social research methods. Students consider problem identification and stating; research design; and data gathering, analysis, interpretation, and presentation.
Prerequisite: junior status

UESO 400 Special Topics 3 credits
Provides an opportunity to pursue, in a structured setting, a topic of current interest or specialized focus not available in other sociology courses.
