

2019-2020 Dependent Standard Verification Worksheet (V1/V5)

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called **Verification**. To comply with federal regulations and, before disbursing federal student aid, we need to review the information you reported on the FAFSA and confirm its accuracy. In this process, the Financial Aid Office will compare information from your FAFSA to the documentation you are **required** to submit. If there are any differences between your FAFSA and your documentation, we will update your application, recalculate your aid eligibility, and you will be notified of the revision.
