

2023–2024 Dependency Override Request Form

What is a Dependency Override?

When you completed your Free Application for Federal Student Aid (FAFSA), the questions in the student status section determined that you were required to apply for Financial Aid as *DEPENDENT* student and include your PARENT(S) information. Financial Aid administrators have the authority to change a student's dependency status, based on supporting documentation, from dependent to independent in cases of extreme, unusual circumstances.

Some examples of extreme, unusual circumstances:

- Abusive family environment (physical, mental, sexual abuse, or other forms of domestic violence)
- Abandonment by Parents (usually in cases of one or more years)
- Incarceration or institutionalization (mental and/or physical illness) of both parents
- Parents whereabouts unknown or parents cannot be located
- An unsuitable household (child removed from household and placed in foster care)
- Other extenuating circumstances that can be sufficiently documented.

The following situations DO NOT qualify as extenuating circumstances:

- Parent(s) refusing to contribute to the student's education
- Parent(s) are unwilling to provide information on the FAFSA or for verification
- Parent(s) not claiming students as dependent for income tax purposes
- Student demonstrates total self-sufficiency
- Student does not live with their parent(s)

All submitted documentation will be reviewed by a Financial Aid Administrator to determine if the student will be granted a dependency override. An official notification of the decision will be sent to the student and the financial aid office will make necessary corrections to the student's FAFSA on behalf of the student. All documentation will be maintained in the student's Financial Aid file.

A dependency override is granted on a yearly basis. Therefore, the student must reapply each year.

Please submit all documents as soon as possible to the Financial Aid office to avoid processing delays. If you have any further questions, please reach out to the Office of Financial Aid immediately.

Submission of this Dependency Override Request does not guarantee approval of status change.

Due to recent guidance issued by the Department of Education, we can no longer accept documentation with any Personally Identifiable Information (PII) via unsecured methods (ie: email). This includes documentation containing social security numbers, date of birth, etc. We are unable to accept documentation by email.

***To expedite processing, please submit all documentation via myCHC Document Upload.
You may also drop-off in person to the Financial Aid Office, St Joseph Hall, First Floor, North Wing.
DO NOT EMAIL.***

Your documentation must contain an original signature. We cannot accept forms containing typed signatures.
