

## Verification of Non Filing Statement for 2015 Tax Year

**Student Name:** \_\_\_\_\_ **CHC ID or SSN:** \_\_\_\_\_

The student and/or parents have listed that they “will not be filing” 2015 taxes on your 2017-2018 Free Application for Federal Student Aid (FAFSA). Due to this, you must provide a written statement that indicates a 2015 IRS income tax return was not filed with the IRS and/or not required to file as well as other relevant tax authority.

To do so you must provide one of the following for the student / parent(s) / and or spouse who reported they “will not and/or not required to file” taxes on the 2017-2018 FAFSA:

- 1) A statement of non-filing listed below
- 2) Or similar confirmation from another taxing authority (ie. a US territory or foreign government)

Please mark all of the boxes that apply and return this page to the CHC Financial Aid Office.
