APPLICATION GUIDELINES

Chestnut Hill College has a rolling admissions policy for graduate applicants. In order for file reviews to take place in time for registration, and for an adequate number of courses to be offered, application requirements should be received by the following dates: for Fall Semester, July 1; for Spring, November 1; for Summer, March 1. Extensions may be granted by contacting gradadmissions@chc.edu.

LENGTH OF PROGRAM

Students may attend part-time or full-time. Most graduate programs may be completed within two years; however, the maximum time to complete a program is six years.

NOTE: It is the prospective student’s responsibility to schedule the required interviews and ensure that all materials have been received by the Graduate Admissions Office. Applicants should contact gradadmissions@chc.edu if they have not been notified and believe all requirements should have been received. Submitted materials become the property of Chestnut Hill College. Although there are no strict minimums for requirements, application decisions are based on strength of requirements, applicant’s fit with the program goals, as well as ability to contribute to a collaborative learning environment as demonstrated throughout the admissions process. This includes, but is not limited to, appropriate and professional verbal and written correspondence.

Chestnut Hill College is committed to providing equal educational opportunities for qualified students in keeping with their career and professional goals. In all of its policies and operations, the College complies with applicable federal and state laws. Before beginning a field of study, students are responsible for ensuring their eligibility based on requirements and issues related to licensure, certification, and/or employment in their desired field of interest (such as GPA, course selection, criminal background checks, state certification and professional licensure requirements, internship requirements, etc.).

NON-MATRICULATING AND PRE-MATRICULATING STATUS

Students in this category may take a limited number of credits depending on their program of study. To apply, submit an application and official transcript from the accredited undergraduate degree-granting institution. Students may present unofficial transcripts for initial registration; however, no CHC grades or transcripts will be issued until an official transcript showing bachelor’s degree conferral is received.

NOTE: Qualification for Federal Loans is contingent upon formal acceptance and eligibility of program, based on Federal Loan guidelines. Successful completion of non- and pre-matriculated courses does not guarantee acceptance. A grade below “B” in a non/pre-matriculated CHC course will prohibit admission to the School of Graduate Studies.

MATRICULATING STATUS

DEGREE: Students who wish to apply for a Master of Education or Master of Science Degree must adhere to the following requirements in order to be considered for acceptance. Early contact with the Graduate Admissions Office is strongly encouraged.

Please contact the Director of Graduate Admissions for your specific application requirements. • Grammar: use/placement of adjectives, adverbs, and participles, tense and verb-form agreement
• Punctuation: placement of commas, semi-colons, etc., and use of capitals
• Content: overall communication of ideas, coherence, depth, maturity, clarity of purpose, connection between goals and experience, connection between goals and career plans, compatibility and connection between goals and CHC program of interest
