The Location

London is the capital city of England and the United Kingdom. With an estimated 8 million residents in 2012, London is the most populous region, urban zone and metropolitan area in the United Kingdom and is the largest city in the European Union. Standing on the River Thames, London has been a major settlement for two millennia. London has a diverse range of people and cultures. And more than 300 languages are spoken within its boundaries. London contains 4 world heritage sites: The tower of London; Kew Gardens; The site comprising the palace of Westminster, Westminster abbey . And St. Margaret's Church; And the historic settlement of Greenwich. London is home to numerous museums, galleries, libraries, sporting events, and many other cultural institutions.

The University

Regent's University London is one of the UK's most respected independent universities as well as one of the most internationally diverse universities, with students from more than 140 different countries worldwide. Situated in the heart of Regent's Park in central London, the main quadrangle of classrooms is surrounded by halls of residence, lawns, and tennis courts. Beyond this lie the gardens and lakes of the beautiful Royal Park.

Academics

Regent's offers a wide variety of course, including British, and American degrees at undergraduate and postgraduate levels taught in a dynamic international environment. Programs of study are continuously updated and blend formal academic training with a variety of direct learning experiences which offer excellent

employment prospects after graduation. The International staff and faculty are active professionals in their specialist fields with a hands-on, practical approach to teaching preparing students for future careers.

Housing

As a study abroad student, Regents will assist you in locating housing. Regents University provides a variety managed on and off campus accommodation options. Residence halls are set in the beautiful, leafy grounds of our regent's park campus. Off campus options also offer a high standard of housing and are becoming increasingly popular with our students.

Air Travel

CHC students are responsible for making their own travel arrangements. Please see the Global Education Office for assistance.

Tuition

Students will directly pay Regent's University. Students will work with the Student Financial Services office in regards to information about funding their semester abroad. The college will assist the student with the process of obtaining room and board at Regents.

Academic Calendar

The term for fall semester is from late August to late January/ and the term for Spring is from mid- January to Late June

Health Insurance

All students are required to maintain health insurance policy that will provide coverage while abroad and for the entire duration of that period. All CHC students also MUST purchase an ISIC card prior to study abroad. Information on international health insurance providers can be obtained from Global Education Office. You may find that your present health insurance policy includes overseas coverage. It is important, however, that your carrier provide written verification of such coverage.

So, how do I get started?

Simply come by the Global Education Office to pick up an application form. **Remember-** Applications are due March 1 for the fall term and October 1 for the spring term.
