## The Location

Liverpool is a city like no other. From world famous architecture and magnificent museums, to music legends revolutionizing popular culture, Liverpool has always been a hub of creativity. Through spectacular festivals, dramatic sporting attractions and unique art, the city continues to be a gateway for UK culture, attracting millions of visitors every year. There is something for everyone in what is officially the UK's friendliest city. As the birthplace of The Beatles, Liverpool is renowned for its music scene. A range of annual music events, including Liverpool Summer Pops, the Mathew Street Festival and Liverpool Sound City, take place in and around the city. The city also has a thriving nightlife with all tastes catered for, from the latest clubs to 70s theme bars and live music venues. Liverpool Hope University also has a partnership with The Royal Liverpool Philharmonic Orchestra,

which provides classical and contemporary music performances throughout the year. The Liverpool Echo Arena also hosts major entertainment events such as the MTV Europe Music Awards in 2008.

Liverpool has a wealth of cultural offerings with more museums and art galleries than any other city in the U.K outside London, as well as world-class concert halls, theatres and a vibrant music scene. For those looking for something different Liverpool is also home to two of the most successful football (soccer) teams in Europe: Liverpool and Everton, and a wealth of nightlife and shopping! There are also countless sports activities to get involved in.

## The University

Liverpool Hope University pursues a path of excellence in scholarship and collegial life without reservation or hesitation. The University's distinctive philosophy is to 'educate in the round' –

mind, body and spirit – in the quest for Truth, Beauty and Goodness. Students at Liverpool Hope are given a range of opportunities to get involved in the cultural life of the city. The University works closely with The Playhouse and Everyman theatres, The Tate and Bluecoat art galleries, The Royal Liverpool Philharmonic Society, FACT, European Opera Centre and numerous smaller galleries and theatre companies - many of which are run by our former students.
