Departmental Mission
The goal of the Department of Sociology, Criminal Justice, and Human Services is to provide students a distinctive academic program that prepares them for immediate employment in related fields and/or admission to graduate programs or professional schools.

Through active, reflective learning, including opportunities for internships and other forms of experiential education, coursework empowers students to connect theory and practice, and to value the diversity of persons, perspectives, and cultures encountered in workplaces and communities. Courses are designed to prepare students to think critically and creatively about issues of social justice and social change, and to appreciate each person’s potential to contribute to a more just and humane world in the midst of profound societal changes.

Departmental Honors
Eligibility is determined by mastery of the major field and by general ability. To be eligible a student must have declared a major, have achieved a grade point average of 3.6 or higher in the major and an overall grade point average of 3.5 or higher, and completed 60 semester hours toward his/her degree (12 of which must be credits in the major). In addition, the student must have the recommendation of the faculty in the major department. Students not meeting this criteria might be recommended for the program by the major department. In most instances, students will receive a formal, written invitation early in the Fall semester of their Junior year. The Departmental Honors program provides an opportunity for independent study and research culminating in an Honors thesis submitted in the spring of Senior year. All students who have successfully completed the Honors Program will be recognized with Honors in their Major at the annual Honors Convocation and on their academic transcripts. In addition, the title of the completed Honors Thesis will appear on the academic transcript.
Honor Societies

Alpha Phi Sigma recognizes the academic excellence of undergraduate criminal justice students. Its mission is to promote analytical thinking, rigorous scholarship and lifelong learning; to keep abreast of the advances in scientific research; to elevate the ethical standards of the criminal justice professions and to sustain in the public mind the benefit and necessity of education and professional training. Members must be enrolled in undergraduate programs of a regionally accredited institution at the time of initiation and must have declared a major or minor in Criminal Justice or a related field. Students must have completed at least four required courses in the major/minor; have a minimum Career GPA of 3.20; and a GPA of 3.40 in Criminal Justice or related field courses. Eligible students must be approved by the Department.

Tau Upsilon Alpha, the National Honor Society for Human Services, is an affiliate of the National Organization of Human Services. Membership in The Tau Alpha Chapter at Chestnut Hill College requires a major or minor in Human Services, a ranking in the top 35% of the class, a cumulative GPA of 3.25, Junior standing and the completion of three fulltime semesters. Recipients must exemplify the leadership and ethical characteristics of the Ethical Standards of Human Services Professionals. Eligible students must be approved by the Department.

Career Development, Public Speaking and Technology Requirements

All majors in the Department fulfill their career development requirement through Internship completion (CRJU/SOCI-401: Internship in Criminal Justice/Sociology or HSVC-303 & 403: Human Services Field Experience) and/or during the Senior Seminar (SOCI-498/CRJU-498/HSVC-498). The public speaking and technology proficiency requirements are satisfied through completing the required Research Methods courses and are reinforced in the Senior Seminar.

**Human Services-Board Certified Practitioner Credential**
The Human Services-Board Certified Practitioner (HS-BCP) credential is offered by the Center for Credentialing & Education, Inc. (CCE). Of the total hours required, at least half must be obtained post degree. More information is available at [http://www.cce-global.org/HSBCP](http://www.cce-global.org/HSBCP) or contact Elaine R. Green, Ed.D., HS-BCP, Dean of the School of Continuing and Professional Studies at green@chc.edu.
