

A Prayer for Sister Carol Jean Vale

Loving and nurturing God,

Thank you for the many ways that you bless our community each day.

We are grateful for the gifts that are known to us

And for those that are as yet unknown.

We ask that you continue to sustain our President, Sister Carol Jean Vale.

Watch over her and protect her

So that she may carry out her good work

Until the completion of her term as President...

And walk with her as she begins a new journey.

We humbly ask that you guide our own actions and words

To remind us to be sensitive to Sister Carol's needs

So that she is never in doubt that we are grateful for her leadership.

In your heavenly name we pray,

Amen.
