

TRANSFER OF GRADUATE COURSE FORM

Transfer of graduate courses does not apply to the Psy.D. Program.

Transferred courses with a grade of "B" or above, completed within the last five years, will be applied only after the student has matriculated. Students are permitted to transfer up to six credits from institutions other than Chestnut Hill College. Workshops or life experience cannot be considered for academic credit. The courses must be from an accredited institution and must be compatible with the program of study. Transfer credits will not be considered in calculating the student's Grade Point Average (GPA).

Official transcripts must be on file and course descriptions, and syllabi must be submitted for review.
