

# **((WATCH>>STREAMS!)) LA Clippers vs Dallas Mavericks Live Free Online Broadcast 23 April 2024**

The Dallas Mavericks quickly learned that you shouldn't take your opponent lightly, even if their best player is out. Heading into Game 1 of this matchup against the Clippers, Dallas was favored because Kawhi Leonard was ruled out, and rightfully so, L.A. is a different team without the two-time champion. But instead of Dallas getting a win, they not only lost Game 1 but were pretty embarrassed, fell behind by as many as 29 points, and never held a lead in the game. That's thanks to James Harden, Paul George and Ivica Zubac all eclipsing the 20-point mark, while Terance Mann and Russell Westbrook reached double figures as well.

**EXCLUSIVE UPDATE: 24 APRIL, 2024**

The Mavericks, meanwhile, had an anemic offensive showing, shooting 38.8 percent from the field. Doncic and Kyrie Irving scored 64 of Dallas' 97 points, but P.J. Washington (11 points) was their only teammate that managed to hit double-digits.

Doncic and Irving will need more help if the Mavericks want to steal a game on the road before heading back to Dallas.
