CHESTNUT HILL COLLEGE • 66TH ANNUAL REUNION • JUNE 1-2-3, 2012
COME HOME TO
Chestnut Hill College
THIS JUNE FOR AN EXCITING,
EVENTFUL, AND
“Undeniably Different”
HISTORIC
REUNION WEEKEND!

Your 2012 Reunion will make CHC history. This is the first year we are welcoming our coed graduates from the Class of 2007, making this special Reunion “Undeniably Different” as their yearbook proclaims. Reunion Weekend is so much more than Reunion Luncheon. You’ll find a variety of activities and events to keep the weekend interesting, whether you want to simply relax and reminisce or take advantage of a full program of learning, dining, and entertainment options. Take some time to look over the programming options outlined in this booklet, talk up the activities with your classmates and friends, and begin planning your perfect getaway weekend.
General Information

ARRIVAL TIME
Reunion registrants will be accommodated on campus after 3 p.m. on Friday. If arriving in the area earlier, please consider enjoying one of the four “Discover Our Chestnut Hill Neighbors” options or a round of golf or tennis at Talamore Country Club in Ambler. Plus, there’s always the King of Prussia Mall — America’s second largest, “the East Coast’s premier shopping destination” — located only 12 miles/20 minutes from campus.

VALET PARKING & STUDENT ASSISTANCE
Valets will be available to park cars upon arrival and will return keys immediately to the owners. Please wait for returned keys before proceeding with check-in. Students will be available to unload and carry luggage to dorm rooms. Valet service and luggage assistance will be available for arrivals/departures on Friday from 3 to 9 p.m., Saturday from 9 a.m. to 1 p.m. and 4:30 p.m. to 5:30 p.m., and Sunday from 9 a.m. to 2 p.m.

FUNCTION ROOMS
With the exception of the Rotunda, all rooms used for Reunion Weekend activities and events are now air-conditioned. Activity locations are indicated by a number or letter matching the campus map on the inside back cover. Be sure to check out the newly re-modeled Social Room, now called the McCaffery Lounge, in Fournier Hall.

HOUSING
Alumnae or alumni registering as singles will be housed in the air-conditioned Mary Jackson Fitzsimmons ’35 Hall, located behind Logue Library and parallel to Fontbonne Hall. Housing requests are honored on a first-come, first-served basis. Following Reunion Weekend tradition, first preference for rooms is given to the 50th reunion class. The Class of 1962 is asked to reply with suite preferences by May 4, after which triple suites will be available to other classes. Every effort will be made to house classes and friends together, but this cannot be guaranteed. Although everyone who plans to attend reunion must complete the registration process, those who plan to suite together are asked to designate one member to take the additional step of indicating the suite members on her or his reply form.

Spouses, significant others, travel companions, and other adults are now welcome to join alumni throughout the weekend and be housed with the hosting alumna or alumnus in Loyola Lodge at SugarLoaf Hill. Each room is air-conditioned and contains a private bathroom. Vans will transport those staying in Loyola Lodge to/from main campus activities.

Housing reservations must be made no later than May 15 to ensure on-campus accommodations, linen service, and meals. Those requiring overnight housing after May 15 are urged to contact one of the area hotels (http://www.chc.edu/Alumni/Reunion/Area_Hotels).

All residence hall accommodations are $75 per person, per night, including bed & bath linens and full breakfast the following morning.

Fitzsimmons Hall suites consist of:
- Double Suites: 2 bedrooms (2 twin beds per room), 1 bath, and sitting room for 4
- Triple Suites: 3 bedrooms (2 twin beds per room), 2 baths, and sitting room for 6

Loyola Lodge at SugarLoaf Hill consists of:
- Single Rooms (2 twin beds per room), 1 bath

There are no corridor showers or restrooms in Fitzsimmons Hall or Loyola Lodge.
66th ANNUAL REUNION LUNCHEON
The Annual Reunion Luncheon is restricted to members of reunion classes. Reunion celebrants who do not register in advance for the Reunion Luncheon cannot be guaranteed either seating with their classes or their entrée choice. Seating for late registrants will take place on an “as available” basis through May 15.

REUNION NEWS YOU CAN USE
• The weekend schedule is subject to change, so please check www.chc.edu/Reunion2012 often.
• Reunion Weekend updates will be sent through the “ReunionNews” e-newsletter to alums with e-mail addresses registered in the Alumni Relations office. Register online at www.chcgriffinsonline.com or contact gutshallj@chc.edu to register or update your e-mail address.
• Frequently asked questions about Reunion Weekend — for example, on weekend attire, items to bring, on-campus amenities — are noted on Griffins Online at www.CHCgriffinsonline.com/ReunionFAQs

REUNION WEEKEND COSTS
The prices charged to reunion alums for activities and events offset a portion of the total costs for food, beverages, food service, housekeeping, entertainment, photography, valet parking, and

NURTURE YOUR MIND, BODY, SPIRIT
ENRICHMENT/EDUCATION SESSIONS—
Part I (Concurrent Sessions) 6
All New Sessions Since Your Last Reunion!

1. “Hemingway on the Big Screen”
How lucky you’ll be to examine film adaptations of the works of the larger-than-life, Pulitzer Prize-winning novelist, journalist, big game hunter, and three-war veteran through the eyes of a Hemingway scholar. Suzanne del Gizzo, assistant professor of English, will direct you through Hollywood’s takes on the master’s extensive work — including The Sun Also Rises, A Farewell to Arms, and To Have and Have Not — as well as through stage and screen portrayals of this legend’s life, loves, and influences. Professor del Gizzo co-directed the 14th Biennial International Hemingway Society Conference in Lausanne, Switzerland, in 2010.

2. “Is This Any Way to Nominate Presidential Candidates?”
It’s election season, with another primary scheduled only days after Reunion. The formal procedures of choosing a president have not changed much — primaries, caucuses, nominating convention — but the groups that have the power, the length of the process, and the financing involved have created change. Explore the influences brought to bear on today’s electorate with Philip McGovern, 40-year member of CHC’s political science department and specialist in American politics.

3. “Hollywood on the Couch”
From the beginning of film history, the Silver Screen has been filled with depictions of antipsychotics, interesting pathologies, and otherwise intriguing behaviors. Join Meredith Kneavel, Ph.D., associate professor of psychology, who coordinates the College’s undergraduate psychology program.
and teaches such courses as Motivation and Emotion, Abnormal Psychology, and Drugs and Behavior. You’ll be sure to enjoy her fascinating view of a few of the more memorable characters and curiosities that have captivated generations of movie goers.

4. “Navigating the College’s Reaccreditation Process”
Join the co-chairs of the College’s Steering Committee for an overview of the process applied in preparing for the Middle States reaccreditation review, which occurs every 10 years. Vice President for Academic Affairs, Ken Soprano, Ph.D. and Barbara Hogan, Ph.D., associate professor of human services, will share facts, issues, and topics bearing on the two-year preparation phase.

7:00 – 8:30 P.M.
CULINARY ALL-STAR ESCAPES BUFFET DINNER

New Sessions Since Your Last Reunion!
1. “The World of Autism”
Just about everyone knows of someone dealing with autism spectrum disorders. Learn the facts about autism with Scott Browning, Ph.D., professor of psychology, and developer of the College’s new program focusing on these disorders in young adults and older. With symptoms that can include problems communicating and interacting with others and a tendency toward repetitive behavior, the causes of autism largely remain a mystery, but Professor Browning will explain the several theories that exist today.

2. “What I Really Meant to Say: Powerful & Effective Communication at Home and Work”
Finding it a bit tense out there, and you’d welcome some solid advice on getting along better with family and colleagues? Discover the most common miscommunication styles that many people are unaware they display. Sheila Kennedy ’76, SSJ, Ph.D., a licensed psychologist and director of the College’s counseling center, offers light-hearted yet valuable insights and suggestions that might make life a bit easier.

9:00 – 11:00 P.M.
FRIDAY LATE NIGHT
Three great options for you to choose from! Chat the night away, enjoy Game Night in the new Social Room, or take a CHC shuttle to Chestnut Hill for a Pub Crawl — the choice is yours! Stay local and continue catching up with classmates in McCaffery Lounge, our newly renovated Social Room. You asked, we oblige — try your hand at bridge, Mah Jong, and pinochle at our game tables. Enjoy soft music and tasty canapés, plus our signature Reunion cocktails. Want a change of scenery? Take a tour of Chestnut Hill’s newest bar scene, including Chestnut 7 and Iron Hill Brewery. Reunion Weekend’s Saturday sequence of activities — Annual Memorial Mass, Cocktail Reception, Class Pictures, Annual Reunion Luncheon, Class Meetings —are marked by history, tradition, and nostalgia. Our “Undeniably Different” Reunion welcomes your spouse, significant other, travel companion, or other adult guest for the entire weekend, except for Saturday’s traditional sequence, which is restricted to reunion celebrants.

While you enjoy Saturday’s daytime activities, share your college and its surrounding area with that special person in your life. Everyone regroups for late-afternoon through late-evening festivities.

  Wissahickon Park was established in 1868, four years before the first national park. During the past 150 years, it has been a wild retreat for generations of Philadelphians, and for Chestnut Hill students. Professor of History David Contosta, Ph.D., the author of more than 15 books, will expand on observations in his most recent work, *Metropolitan Paradise: The Struggle for Nature in the City, Philadelphia’s Wissahickon Valley, 1620-2020* (2010), which he co-authored with Carol Franklin, a nationally recognized ecological landscape architect. This session features striking slide illustrations throughout Professor Contosta’s review of the triumphs and trials of this beloved urban resource.
