The Accelerated Bachelor of Science degree in Early Childhood Studies
Early Childhood Studies

Chestnut Hill College’s ACCELERATED Degree Program is designed specifically for the adult learner. The Early Childhood Studies program combines a sound liberal arts background with specific training in educational and child psychology, curriculum methods and materials, and extensive fieldwork. This program is intended for those working with young children who are not seeking teacher certification in the state of Pennsylvania.

Laura Capozzi, Class of 2014
B.S. in Early Childhood Studies

Why did you choose Early Childhood Studies?

“I have always had a passion for teaching young children and now with my degree I can continue my journey.”
