FINANCIAL AID INSTITUTIONAL APPLICATION ~ 2012-2013 ACADEMIC YEAR

1. Enrollment Information

Your financial aid is dependent upon the number of credits in which you enroll for each semester, plus the cost of that semester. You must be enrolled at least half-time in order to be considered for federal funds. Half-time enrollment is between 4.5 - 8.5 credits per semester, full-time enrollment is 9 or more credits per semester. Note: Any change to the enrollment information you indicate below may affect your financial aid eligibility and must be reported to the Financial Aid Office via email to finaid@chc.edu or in writing immediately.

2. Federal Direct Loan Borrowing

Graduate students may be eligible to borrow Federal Direct Unsubsidized Loan funding of up to $20,500 for the academic year, depending upon enrollment information. Doctoral students (Psy.D.) enrolled at least half-time in year 2 of their program or above may be entitled to borrow up to an additional $16,667 in Federal Direct Unsubsidized Loan funding. It is strongly recommended that students not borrow more than necessary to meet academic costs. When determining the amount of loan funding you want to borrow, keep in mind that Federal Direct Loans must be equally disbursed among the semesters you intend to enroll.

Given the cost determined in Section 1 above, the amount you wish to borrow for the academic year is $________________________
