Aarhus is the second largest city in Denmark. Aarhus is a university city with 12% of the local population being fellow students and a very popular destination for both Danish students and for students from all over the world. Aarhus is an incredibly attractive city filled with art, culture, sports, beautiful beaches, live music, and forests.

Housing

As an exchange student, Aarhus does not offer on campus housing. Instead you will be able to have several possibilities of several dormitories that are located in various parts in the city of Aarhus. The Business Academy will assist you in making housing arrangements. These rooms are completely furnished with access to a kitchen, toilet and bathing facilities. All students will be offered housing for the period of July 1st -January 1st or January 1st- July 1st . This means that you are required to pay a total of 6 month's rent. It is very important to respect deadlines of the lease. The fee is 50 Euros and it is non-refundable. Instructions on how to send the fee will be sent by email. Typical monthly rent for a room is approximately 300 Euros. If you accept the offer to live in the residence, then you must pay the first month's rent and also a security deposit of 900 Euros; in all costing about 1200 Euros.

Please contact the nearest Danish embassy or consulate immediately to apply for your permit, as the application process usually takes a considerable length of time (2-3 months). Also, please be aware that the Danish Immigration Service as of 1 January 2011 charges an application fee for processing your application. Furthermore, the Danish Immigration Service requires documentation of your ability to support yourself financially during the length of your stay. Prior to your departure, you may be requested to provide documentation from your bank certifying that you have the equivalent of DKK 2,200 per month (approx. \$450USD per month) during your intended stay.
