Childcare Management

The Accelerated Bachelor of Science in Childcare Management

This program is designed to teach you the administrative skills needed to manage a day care center. It will prepare you to work with children, creating and maintaining a healthful, safe learning environment. The learning process will help to foster your intellectual, social, and emotional development while it enhances your ability to communicate effectively with parents and the community. This program can also prepare you for graduate studies in the field of education.

In addition to your core Liberal Arts requirements, 60 credits are required in the major. This program by itself does not fulfill the requirements for any state teaching certification.

The Chestnut Hill College ACCELERATED Degree Program is designed specifically for the adult learner. It provides a holistic approach to education that balances the insights of the liberal arts tradition with the practical challenges of today’s world. Most importantly, we offer a learning experience that’s geared to the real-life career goals of our students. ACCELERATED has more adult degree programs than any other college in the region. And each one of our programs is a path to a future of promise and opportunity.

The Learning Experience

In addition to the beautifully landscaped main campus of Chestnut Hill College, ACCELERATED classes are offered on three convenient off-site locations. We provide state-of-the-art learning facilities. Computers with Internet access are available in the computer labs and in the Logue Library, and most classrooms have computer hookups and Internet connections.

Transferring Credit

Students can transfer up to 75 credits from another accredited college or university. Prior learning assessment options can also help you earn credits for on-the-job experience and training programs.

Career Services

In addition to job search assistance, Internship programs are available for students who are changing careers. Supervised and facilitated by the Coordinator of Experiential Learning these programs offer valuable real world experience. Some students have been hired on completion of their internship.

Study Tours

ACCELERATED students can earn six credits by traveling within the U.S. on study tours. These study tours include interdisciplinary classes that introduce you to the theater and arts in the Philadelphia, New York, and Washington, D.C. areas.
