Upon reflection of the family-friendly programming available at Chestnut Hill College, the Student Life department decided that there was simply too much to fit into just one weekend. Therefore, beginning in the fall of 203, there will no longer be one specific Family Weekend. Instead, we have created this newsletter to inform families of the family-friendly programming that will occur this semester, Please take some time to review the fun and engaging activities that we have planned for you to enjoy with your Chestnut Hill College student!

If you have any questions regarding this change, or family programming, please feel free to contact Megan Cranney, Assistant Director of Student Activities via email at CranneyM@chc.edu.

**Mask & Foil presents: “A Delightful Quarantine”**

**November 22nd & November 23rd, 2013**

What would it be like to be confined with people you don’t really know? Strange visitors leave behind a deadly disease that leaves seven separate households unexpectedly quarantined. Seven story lines are deftly balanced as people are forced to confront their personal issues. A heart-warming original comedy/drama about how people react when there’s nowhere else to go.
