

Chestnut Hill College

Forensic Science Summer Camp Registration Form

Please fill out form with requested information as completely as possible. Contact email and/or phone is important. The fee for the week-long camp experience is \$250.00 for students of high school age and \$200.00 for middle school students. Tentative schedule of the five consecutive camps are:

High school: July 13-17

Middle school: August 3-7

Camp fee must be received in advance and registration is first come, first serve based upon receipt of camp fee along with completed registration form. Each camp is capped at a total of 16 students. Please mail registration form and fee by check or money order in care of:
