WHY A MASTER'S IN CYBERSECURITY AT CHESTNUT HILL COLLEGE?

The Chestnut Hill College Master of Science (M.S.) in Cybersecurity is a 100% ONLINE, 30-36 credit program with highly competitive tuition and strong job prospects in a lucrative field. The program's online design allows professionals to complete this Master's degree in 20-24 months. Students take two 8-week accelerated courses consecutively in the fall, summer, and spring semesters. All courses are designed and taught by subject matter experts with diverse experience in the cybersecurity field, and are cybersecurity-related; the only exception are general computer science/information technology courses required for students without a technology background.

PROGRAM INCLUDES COURSES IN SEVERAL SPECIALIZED AREAS OF CYBERSECURITY, INCLUDING:
- Cyber Physical Security
- Digital Forensics for Incident Response
- Human Factors Impacting Cybersecurity
- Cyberwarfare and Cyberterrorism
- Cybersecurity Risk Management
- Vulnerability Assessment

ADMISSIONS REQUIREMENTS
- Official transcripts required from all colleges and universities attended
- Letters of recommendation required from academic and professional sources
- Resume or curriculum vitae
- Professional essay (description in online application)

Once all materials are received, the Admissions committee will review the applications and invite qualified applicants for an interview.
