The Undergraduate to Graduate Degree Pathway at CHC - save time AND tuition!

At Chestnut Hill College, we offer "combined" programs whereby **undergraduate students in select majors can start courses in one of our all-online graduate programs early**—while they're still earning their Bachelor's degree—to get a head-start on graduate coursework.

Depending upon the program, 3-6 credit hours (or 1-2 courses) may be billed at the undergraduate rate, and can potentially apply to BOTH graduate and undergraduate degrees.

- GPA 3.35 or above (in chosen major)
- No grades below a B
- At least 84 credit hours completed to apply (transfer students must have taken the last 15 credit hours at CHC)
