Commencement Speaker: MARCUS ALLEN

Marcus Allen is a board-level operator, platform architect, and executive advisor with more than two decades of experience leading complex organizations across nonprofit, for-profit, and entrepreneurial environments. He is best known for aligning strategy, governance, and execution to drive measurable growth, resilience, and long-term value.

Marcus Allen earned a Bachelor of Science in Psychology at Temple University after starting his academic journey studying Computer Science Pre-Engineering at Paine College. He later completed his MBA in Technology Management and Business Administration at University of Phoenix, combining expertise in human behavior, technology, and business leadership to support his professional and speaking endeavors.

As a former long-tenured CEO, Marcus led large, multi-stakeholder enterprises with full P&L responsibility, overseeing capital strategy, risk management, talent systems, and enterprise transformation. His work has spanned revenue diversification, board effectiveness, leadership continuity, and scaling impact without sacrificing culture or mission.

Today, Marcus advises CEOs, boards, and founders navigating inflection points—growth, transition, restructuring, or reinvention. His approach blends disciplined governance, clear decision rights, and human-centered leadership, grounded in a simple belief: awareness creates clarity, and clarity unlocks purpose. Marcus is also the co-host of The JAM, a leadership media platform focused on authenticity, performance, and real-world execution.

We love thee in the sunset.
We love thee in the dawn,
Thy walls to us are hallowed
With mem'ry of days agone.

CHORUS

O, College and Teachers and we,
A loyal Trinity,
Our hearts' deep fealty,
Is pledged unto thee,
